Bernie Sanders And Hillary Clinton:

Bernie Sanders Vs. Hillary Clinton on the Issues Jesse Gordon, 2016-02-01 How do the two Democratic contenders compare on the issues Forget about polls forget about politicking forget about defining democratic socialism and progressive what would Hillary Clinton and Bernie Sanders each do as president This book digs up Hillary's and Bernie's issue stances on over 100 key issues from voting records debates memoirs biographies all of the sources that the mainstream media SHOULD investigate but never do An ideal book for actually answering serious questions about issue stances and policy plans keep it on your coffee table to spark a conversation or bring it to events to answer substantive questions Written by Jesse Gordon the editor in chief of OnTheIssues.org which is the definitive internet source for candidates' stances on the issues An Unprecedented Election Benjamin R. Warner, Dianne G. Bystrom, Mitchell S. McKinney, Mary C. Banwart, 2018-02-21 Written by leading scholars of political communication this book provides a comprehensive accounting of the campaign communication that characterized the unprecedented 2016 presidential campaign The political events leading up to election day on November 8 2016 involved unprecedented events in U.S. history Hillary Clinton was the first woman to be nominated by a major party and she was favored to win the highest seat in the nation Donald Trump arguably one of the most unconventional and most unlikely to succeed candidates in U.S. history became the leading candidate against Clinton Then an even more surprising thing happened Trump won an outcome unexpected by all experts and statistical models An Unprecedented Election Media Communication and the Electorate in the 2016 Campaign presents proprietary research conducted by a national election team and leading scholars in political communication and documents the most significant and in some cases the most shocking features of the 2016 U.S. presidential election The information presented in this book is derived from national surveys experiments and textual analysis and helps readers grasp the truly unique characteristics of this campaign that make it unlike any other in U.S. history The chapters explain the underlying dynamics of this astonishing election by assessing the important role of both traditional and social media the evolving and potentially diminishing influence of televised campaign advertisements the various implications of three historic presidential debates and the contextual significance of convention addresses Readers will come away with an appreciation of the content and effects of the campaign communication and media coverage as well as the unique attributes of the electorate that ultimately selected Donald Trump as the 45th president of the United States **Bernie Sanders...He Would Have Been Elected President 2016** Dr. Jannay P. Valdez, 2018-03-08 Bernie Sanders the 45th President of the United States of America Why did this NOT happen How could he NOT be elected as President There are many reasons to be dealt with in this book The assassination of President John F. Kennedy was the most significant political event in modern American history Today's students place little interest in the Viet Nam War World War I or World War II etc but most are familiar with The Assassination John F. Kennedy is still a household word and most reasonable people do not accept the one bullet theory or the Warren Report The

Assassination of John F Kennedy the Kennedy family and the Kennedy Curse are all dealt with in this fabulous story **Meet the Candidates 2020: Bernie Sanders** Scott Dworkin, 2019-06-11 What is democratic socialism Educate yourself on Bernie Sanders the liberal independent from Vermont and the 2016 underdog turned 2020 Democratic favorite Bernie Sanders shocked the establishment in 2016 with his self described political revolution mobilizing grassroots fundraising and campaigning to nearly secure the Democratic nomination over Hillary Clinton even in the face of Democratic National Convention opposition The Vermont senator and longest serving independent in congressional history hopes to do the same with a better result in 2020 Meet the Candidates 2020 Bernie Sanders A Voter s Guide will help you decide if Sanders s brand of democratic socialism is for you and if he is the right candidate to take on Donald Trump A vocal critic of Donald Trump Sanders advocates for sweeping reform single payer universal health care labor and economic inequality reform taxes on the wealthy the Green New Deal marijuana legalization free higher education Sanders has had an undeniable influence on how campaigns are run and has moved the Democratic party to the left but how will his liberal platforms play in a Democratic primary and against Trump in a general election After reading Meet the Candidates 2020 Bernie Sanders A Voter s Guide you ll be able to analyze those chances explain his positions and decide if they are what you believe is right for America The Meet the Candidates 2020 series is the informed voter s guide to making a decision in the 2020 Democratic primary and presidential election Each book gives an unbiased political insider s analysis of each contender featuring candidate interviews an introduction by campaign advisor Democratic Coalition co founder and Dworkin Report host Scott Dworkin and compilation and writing by Occupy Democrats Editor at Large Grant Stern In two hours of reading you ll understand their defining characteristics credentials campaign issues challenges presidential chances and everything else you need to know to decide who should challenge Donald Trump Whether it s for Elizabeth Warren Joe Biden Bernie Sanders Kamala Harris Julian Castro Cory Booker or another Meet the Candidates is what you need to make an informed vote for president in 2020 The 2016 US Presidential Campaign Robert E. Denton Jr, 2017-07-21 This volume focuses on the 2016 Presidential campaign from a communication perspective with each chapter considering a specific area of political campaign communication and practice The first section includes chapters on the early candidate nomination campaigns the nominating conventions the debates political advertising and new media technologies The second section provides studies of critical topics and issues of the campaign to include chapters on candidate persona issues of gender wedge issues and scandal The final section provides an overview of the election with chapters focusing on explaining the vote and impact of new campaign finance laws and regulations in the 2016 election All the contributors are accomplished scholars in their areas of analysis Students scholars and general readers will find the volume offers a comprehensive overview of the historic 2016 presidential campaign *Where Have All the Democrats Gone?* Ruy Teixeira, John B. Judis, 2023-11-07 A Wall Street Journal Best Political Book of 2023 A much needed wake up call for the Democrats which reveals how the party has lost sight of its core

principles and endangered its political future from the authors of one of the most influential political books of the 21st century *The New York Times* For decades American politics has been plagued by a breakdown between the Democratic and Republican parties in which victory has inevitably led to defeat and vice versa Both parties have lost sight of the people at the center of the American electorate leading to polarization and paralysis In *Where Have All the Democrats Gone* John B Judis and Ruy Teixeira reveal the tectonic changes shaping the country's current political landscape that both pundits and political scientists have missed The Democratic Party once the preserve of small towns as well as big cities and of the industrial working class and the newly immigrated has abandoned and even actively alienated many of these voters In this clarion call and essential argument for common sense and common ground Judis and Teixeira reveal the transformation of American politics and provide a razor sharp critique of where the Democrats have gone awry and how they can avoid political disaster in the days ahead

Shattered Jonathan Allen, Amie Parnes, 2018-05-01 1 NEW YORK TIMES BESTSELLER It was never supposed to be this close And of course she was supposed to win How Hillary Clinton lost the 2016 election to Donald Trump is the

riveting story of a sure thing gone off the rails For every Comey revelation or hindsight acknowledgment about the electorate no explanation of defeat can begin with anything other than the core problem of Hillary s campaign the candidate herself Through deep access to insiders from the top to the bottom of the campaign political writers Jonathan Allen and Amie Parnes have reconstructed the key decisions and unseized opportunities the well intentioned misfires and the hidden thorns that turned a winnable contest into a devastating loss Drawing on the authors deep knowledge of Hillary from their previous book the acclaimed biography *HRC Shattered* offers an object lesson in how Hillary herself made victory an uphill battle how her difficulty articulating a vision irreparably hobbled her impact with voters and how the campaign failed to internalize the lessons of populist fury from the hard fought primary against Bernie Sanders Moving blow by blow from the campaign s difficult birth through the bewildering terror of election night *Shattered* tells an unforgettable story with urgent lessons both political and personal filled with revelations that will change the way readers understand just what happened to America on November 8 2016

2016: the Campaign Chronicles JD Foster,2019-10-08 The 2016 campaign ended with Donald J Trump as president elect of the United States astounding just about everyone More than two dozen candidates had vied for the two parties nominations leaving Trump and former Secretary of State Hillary Clinton Her flaws standing in rough proportion to her strengths Clinton had been the presumed Democratic nominee though Bernie Sanders had nearly upended her run In contrast Trump s capturing the Republican nomination seemed preposterous before and after the fact The campaign overall was far more than the result It was a long tumultuous outrageous frolic of American politics *The Campaign Chronicles* was written contemporaneously with events as they happened so as to capture the sense of each amazing if horrific moment Even weeks after the election the country remained stunned by the outcome which as we learned foretold of a presidency unlike any before it But before the presidency there was a campaign about which many histories will be written But before the histories must come the chronicling history stripped of faded memories and coherent perspective Herewith such a chronicling written from a determinedly neutral posture presenting the good with the bad for all concerned

How Bernie Won Jeff Weaver,2018-05-15 He vowed not to run a negative campaign he would focus on policies he would not be beholden to big money And despite a media that thrived on negative campaigns a party controlled by insiders and a political system dependent on big money Bernie Sanders became one of the most respected and well known people in the world Looking ahead to 2020 Weaver manager of Sanders presidential campaign chronicles the birth of a revolution that didn t end in November 2016 It s only just begun adapted from jacket

Our Revolution Bernard Sanders,2016-11-15 An inside account of Sanders extraordinary campaign and a blueprint for future political action

Outsider in the White House Senator Bernie Sanders,2019-09-03 Bernie Sanders s political autobiography with an updated afterword that brings his story up to the 2020 presidential campaign Explaining where he comes from and how his politics were formed Senator Bernie Sanders describes in detail how after cutting his teeth in the Civil Rights movement he helped build an extraordinary grassroots

political campaign in Vermont making it possible for him to become the first independent elected to the US House of Representatives in forty years He is now the longest serving independent in US political history An extensive afterword by the Nation s National Affairs correspondent John Nichols continues the story with Sanders s entrance into the Senate the drama of the 2016 Democratic Primary his ongoing resistance to Trump and the thrilling launch of his 2020 bid for the White House A new foreword by Nina Turner former president of Our Revolution and co chair of the Sanders for President campaign provides a rare glimpse of Bernie as a person Outsider in the White House is the story of a passionate and principled political life **Where We Go from Here** Bernie Sanders,2018-11-27 The inspiring national bestseller from the U S Senator and leading Democratic candidate for president about the fierce fight for democracy and social justice and what we need to do next In *Where We Go from Here* New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day by day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump s reactionary agenda and for a government that works for all not just wealthy campaign contributors At home Sanders has helped lead the fight for Medicare for all fought for workers desperate for higher wages and supported immigrants in the DACA program and children affected by gun violence He has stood with the people of Puerto Rico devastated by Hurricane Maria as well as veterans teachers the incarcerated the persecuted and all those who are too often ignored by Washington Abroad his voice has been clear that we need a foreign policy that strives for peace not war and international cooperation to address the crisis of climate change The good news is we re making progress People all across America are standing up to the most dishonest and reactionary president in our history They re taking on establishment politicians who ve turned a blind eye to the concerns of everyday citizens They re fighting back against the oligarchs of Wall Street who would happily see our children do worse than their parents so long as the Dow does better And the general public continually demonstrates that we are more united than the media would allow us to believe and what we agree on are largely progressive ideals Maintaining a vibrant democracy has never been easy and in these dangerous and unprecedented times it has been more difficult than ever Bernie Sanders shows however that we can repair the damage Trump has done and create a nation based on the principles of economic social racial and environmental justice

Crashing the Party Heather Gautney,2018-05-01 Senator Bernie Sanders won 13 million votes and a majority of young voters in the 2016 Democratic primary giving a consensus unbeatable party favorite Hillary Clinton a shockingly close challenge He emerged from the presidential election as the most popular politician in the US despite being a 75 year old self professed democratic socialist What lessons can be drawn from this surprising but in the end losing campaign and what to make of the direction the Sanders movement has gone since the election Vermont native Heather Gautney is a senior policy advisor to Bernie Sanders in his Washington DC office and was a senior researcher on his presidential campaign The author and editor of several books on social movements and American politics she brings her scholarly expertise and left politics to

bear on the scenes and conflicts she witnessed from inside the campaign and inside the Beltway This is both an insider s sympathetic view of the Sanders phenomenon and a skeptical left scholar s view of its limitations In reviewing what enabled Sanders to reach out to an unprecedented number of people with a socialist message she draws lessons about the prospects and perils of building a leftist movement in the United States Gautney s reflections on the role that race and class played in this election cycle and analysis of the prospects and perils of the Democratic Party will advance the passionate debate over how to build a progressive opposition to Trump and a lasting left movement in America

What Happened Hillary Rodham Clinton, 2017-09-12 An engaging beautifully synthesized page turner Slate The 1 New York Times bestseller and Time 1 Nonfiction Book of the Year Hillary Rodham Clinton s most personal memoir yet about the 2016 presidential election In this candid and blackly funny The New York Times memoir Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage sexism exhilarating highs and infuriating lows stranger than fiction twists Russian interference and an opponent who broke all the rules At her most emotionally raw People Hillary describes what it was like to run against Donald Trump the mistakes she made how she has coped with a shocking and devastating loss and how she found the strength to pick herself back up afterward She tells readers what it took to get back on her feet the rituals relationships and reading that got her through and what the experience has taught her about life In this feminist manifesto The New York Times she speaks to the challenges of being a strong woman in the public eye the criticism over her voice age and appearance and the double standard confronting women in politics Offering a bracing guide to our political arena The Washington Post What Happened lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary By analyzing the evidence and connecting the dots Hillary shows just how dangerous the forces are that shaped the outcome and why Americans need to understand them to protect our values and our democracy in the future The election of 2016 was unprecedented and historic What Happened is the story of that campaign now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era while finding new hope in a surge of civic activism women running for office and young people marching in the streets

Where We Go from Here Bernie Sanders, 2018-11-27 During his campaign for President in 2016 Senator Bernie Sanders repeatedly stated that the future of America was dependent upon its willingness to start a political revolution Real change never occurs from the top down it always happens from the bottom up That s what he said when he ran for President and that s what he believes now more than ever At a time of massive and growing wealth inequality with the US moving closer and closer to an oligarchic form of society and in the shadow of the most reactionary Presidency in the history of the Republic Sanders is calling for an unprecedented grassroots political movement to stand up to the greed of the billionaire class and the politicians they own And the good news is progress is being made In this important new book

America's most popular political figure speaks about what he's been doing to oppose the Trump agenda and strengthen the progressive movement how America can go forward as a nation and the impact that can have on the global stage In an era that leaves many would be liberal and progressive voters feeling frustrated about politics Bernie Sanders shows what he stands for not just what he stands against In this book he details the core values of the progressive movement and translates them into the actions that will truly uplift the nation and the world Praise for Bernie Sanders A decent honest person It's pretty unusual in the political system Noam Chomsky Gives us a glimpse of what politics could be like Yanis Varoufakis Bernie Sanders has changed US politics for ever Owen Jones *The Future of Capitalism* Paul Collier, 2018-12-04 A top economist's engaging and well reasoned look at how to save capitalism from itself and from the twin threats of populism and socialism The Washington Post Winner Handelsblatt Prize for Best Business Book Deep rifts are tearing apart the fabric of the United States and other Western societies thriving cities versus struggling rural counties the highly skilled elite versus the less educated wealthy versus developing countries As these divides deepen we have lost the sense of ethical obligation to others that was crucial to the rise of postwar stability and social democracy So far these rifts have been answered only by the revivalist ideologies of populism and socialism leading to the seismic upheavals of Trump Brexit and the return of the far right in Germany We have heard many critiques of capitalism but no one has laid out a realistic way to fix it until now In a passionate and polemical book world renowned economist Paul Collier outlines brilliantly original and ethical ways of healing these rifts economic social and cultural with the cool head of pragmatism rather than the fervor of ideological revivalism He reveals how he has personally lived across these three divides moving from working class Sheffield to hyper competitive Oxford and working between Britain and Africa and acknowledges some of the failings of his profession Drawing on his own pragmatic realistic solutions as well as ideas from some of the world's most distinguished social scientists he shows us how to save capitalism from itself and free ourselves from the intellectual baggage of the twentieth century Rife with inventive proposals Collier's hard centrism has much to offer The New York Times Book Review For both left wing and right wing readers Library Journal Powerful Kirkus Reviews One of Bill Gates's Summer Reading Picks [What Happened to Bernie Sanders](#) Jared H. Beck, 2018-03-06 For the first time the definitive answer to the relative disappearance of Bernie Sanders and his political revolution in our new Trumpocracy One year into Donald Trump's presidency the US 2016 presidential election is still being fought by both parties As the case of Russian hacking and collusion is investigated and Hillary Clinton desperately attempts to explain What Happened to her and why she lost a more important question one haunted by shadowy tactics and campaign double dealing rings out What happened to Bernie Sanders Jared H Beck Esq the lawyer suing the Democratic National Committee and Debbie Wasserman Schultz for collusion and fraud for conspiring as a whole to make sure Hillary Clinton was the Democratic presidential candidate has now written the book on what truly transpired during the Democratic primaries and National Convention What Happened to Bernie Sanders is organized in sections Democracy

Demands the Truth Stories with No Fingerprints A Bankrupt Institution Rule of Law Demands Consequences Using uncovered documents and other primary sources Beck shows that Bernie Sanders lost to Hillary Clinton because he never had a chance to win He illustrates how a web of forces emanating from elite interests through the mainstream media and Democratic political establishment and fronted by the Democratic National Committee operated to ensure that Clinton would secure the nomination The story of the 2016 Democratic primaries is not one of being stronger together or making America great again it is one of how corruption has critically eroded America s political institutions to the point of crippling democracy itself

The Hillary Effect: Perspectives on Clinton's Legacy Ivy A.M. Cargile, Denise S. Davis, Jennifer L.
