The Age of Illusions Andrew Bacevich, 2020-01-07 New York Times Bestselling Author A penetrating account of the post-Cold War follies and delusions that culminated in the age of Trump. When the Cold War ended with the fall of the Berlin Wall the Washington establishment felt it had prevailed in a world historical struggle. Our side had won a verdict that was both decisive and irreversible. For the world's indispensable nation its sole superpower the future looked very bright. History having brought the United States to the very summit of power and prestige had validated American-style liberal democratic

capitalism as universally applicable In the decades to come Americans would put that claim to the test They would embrace the promise of globalization as a source of unprecedented wealth while embarking on wide ranging military campaigns to suppress disorder and enforce American values abroad confident in the ability of US forces to defeat any foe Meanwhile they placed all their bets on the White House to deliver on the promise of their Cold War triumph unequalled prosperity lasting peace and absolute freedom In *The Age of Illusions* Andrew Bacevich takes us from that moment of seemingly ultimate victory to the age of Trump telling an epic tale of folly and delusion Writing with his usual eloquence and vast knowledge he explains how within a quarter of a century the United States ended up with gaping inequality permanent war moral confusion an increasingly angry and alienated population and of course the strangest president in American history Offers tantalizing insights into how America's Cold War victory soured Most interesting *The Economist* Those unfamiliar with Bacevich's work will be thrilled to encounter a first rate thinker whose trenchant objective well written analyses defy glib labeling Highly recommended Choice This engrossing recounting of the irresponsibility of America's ruling class aided and abetted by a citizenry grown complacent clarifies the absurdities of the ascent of Trump and shows how America's self congratulatory past has led to our wrenching present he offers hope for a future free of self deception and points the way toward a newly responsible American civic life Patrick J Deneen author of *Why Liberalism Failed*

The Reinvention of Populist

Rhetoric in The Digital Age Mark Rolfe, 2016-11-23 This highly original work considers the rhetoric of political actors and commentators who identify digital media as the means to a new era of politics and democracy Placing this rhetoric in a historical and intellectual context it provides a compelling explanation of the reinvention and thematic recurrence of democratic discourse The author investigates the populist sources of rhetoric used by digital politics enthusiasts as outsiders inaugurating new eras of democracy with digital media such as Barack Obama and Julian Assange and explores the generations of rhetorical and political history behind them The book places their rhetoric in the context of the permanent tensions between insiders and outsiders between the political class and the populace which are inherent to representative democracy Through a theoretical and conceptual research that is historically grounded and comparative it offers rhetorical analysis of candidates for the 2016 presidential election and discusses digital democracy particularly discussing their origins in American populism and their influence on other countries through Americanization Uniquely it offers a sceptical assessment of epochal claims and a historical rhetorical account of two of the defining figures of twentieth century politics to date and reveals how modern rhetoric is grounded in an older form of anti politics and mobilises tropes that are as old as representative democracy itself

Bernie's Sermon Bernie Sanders, 2015-06-30 On December 10 2010 Senator Bernie Sanders of Vermont spoke for over eight hours on the floor of the Senate As he spoke and as the hours passed millions began to watch the speech online worldwide news coverage ensued Worthwhile reading for any concerned citizen and mandatory reading for anyone following politics in 2015 Senator Sanders's plea for common sense and fairness is sure to resonate for

years to come Hold Texas, Hold the Nation Allen West,2018-10-16 A former Congressman and the author of We Can Overcome presents his case for a conservative Texas Texas is booming In recent years the Lone Star State has experienced some of the most rapid growth in the country both in its economy and in its population This is thanks to an influx of businesses relocating to Texas to take advantage of all its benefits But this increase in population has also brought about a shift in the political dialogue within Texas s borders As more people pour into Texas they bring with them liberal and socialist ideologies as they try to swing the state from red to blue These plans for changing policies will suffocate the highly successful capitalist state and its residents and according to Lt Col Allen West Ret allowing these liberal ideals to creep into the legislative branch will be the death of Texas In Hold Texas Hold the Nation Victory or Death West explains how the longstanding conservative capitalist policies within the state s government have allowed it to flourish over the years providing hard to ignore evidence and allowing his experience in Congress to support his argument He makes his stand asserting that Texas must hold fast to its conservative ways and resist succumbing to liberal mindsets or else cease to prosper and begin to perish Texas is a sustaining force for America truly embodying the founding principles of the nation those unalienable individual rights of life liberty and the pursuit of happiness In Texas it s Victory or Death Praise for Hold Texas Hold the Nation A must read for anyone who bleeds red white and blue Brian Kilmeade cohost Fox host The Brian Kilmeade Show New York Times bestselling author

Manifesto Bernie Sanders,Karl Marx,2015-10-31 Compares and Contrasts the campaign by Bernie Sanders for US President with The Communist Manifesto by Karl Marx and Frederick Engels Provides the Full Text of The Communist Manifesto by Marx and Engels published in 1848 and the full text by Bernie Sanders announcing his campaign for US President in Burlington Vermont on May 26 2015 and the full text of the speech by Bernie Sanders at Liberty University in Lynchburg Virginia on September 14 2015 *The Impact of USA Patriot Act on American Society* Kam C. Wong,2007 Much has been written about the USA Patriot Act and the controversy that surrounds this far reaching legislation has also generated a great deal of confusion and uncertainty about its impact and importance in the war on terrorism As Professor Kam C Wong notes in this important contribution to the literature There is little scholarly research on the legislation implementation and impact of the Act Undoubtedly few Americans are actually aware of most of the details in the Act or its implications in a free society The events of September 11 2001 in attacks on the World Trade Centre and the Pentagon prompted a unique response by Congress in passing a series of wide reaching laws expanding the powers of law enforcement and the judiciary Of particular concern to many are the requirements of public and private organisations to provide information in connection with homeland security that is considered intrusive and in violation of privacy rights Ultimately it will be many years before the actual impact of the Patriot Act can be assessed In this new and important book Professor Wong provides a critical analysis of the legislation and its capacity for abuse *"Yes We Can"* Wolfgang Mieder,2009 As President Barack Obama outlined his promise for change during the presidential campaign he made effective use of proverbs and proverbial phrases and invented many quotable epithets that have all the makings of future proverbs This book examines how Obama's natural and authentic reliance on traditional metaphors enhances his impressive rhetoric rather than reducing it to mere sound bites Proverbs with their often colorful metaphors add expressiveness and emotion to his communications giving people the opportunity to follow his pragmatic or philosophical arguments through common language No matter the subject Obama's prose contains metaphorical language that makes his rhetoric and oratory universally accessible This book contains detailed analyses of the proverbial rhetoric in Obama's books *Dreams from My Father* 1995 and *The Audacity of Hope* 2006 A section looks at his proverbial language in 229 speeches news conferences interviews and radio addresses and the final section presents in depth studies of his seven most significant addresses It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama's political beginnings to his memorable inaugural address
