Bernie Sanders George Stephanopoulos

**Robert W. Rix, Eva-Lena
Bergström, Cian Duffy, Merethe Roos**

Bernie Sanders George Stephanopoulos:

Sustainable Modernity Nina Witoszek, Atle Midttun, 2018-04-17 The Open Access version of this book available at <https://www.taylorfrancis.com/books/e/9781351765633> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license In the 21st century Norway Denmark and Sweden remain the icons of fair societies with high economic productivity and quality of life But they are also an enigma in a cultural evolutionary sense though by no means following the same socio economic formula they are all cases of a non hubristic socially sustainable modernity that puzzles outside observers Using Nordic welfare states as its laboratory *Sustainable Modernity* combines evolutionary and socio cultural perspectives to illuminate the mainsprings of what the authors call the well being society The main contention is that the Nordic uniqueness is not merely the outcome of one particular set of historical institutional or political arrangements or sheer historical luck rather the high welfare creation inherent in the Nordic model has been predicated on a long and durable tradition of social cooperation which has interacted with global competitive forces Hence the socially sustainable Nordic modernity should be approached as an integrated and tightly orchestrated ecosystem based on a complex interplay of cooperative and competitive strategies within and across several domains normative cultural socio political and redistributive The key question is Can the Nordic countries uphold the balance of competition and cooperation and reproduce their resilience in the age of globalization cultural collisions the digital economy the fragmentation of the work life division and often intrusive EU regulation With contributors providing insights from the humanities the social sciences and evolutionary science this book will be of great interest to students and scholars of political science sociology history institutional economics Nordic studies and human evolution studies

The Exceptional North Robert W. Rix, Eva-Lena Bergström, Cian Duffy, Merethe Roos, 2026-04-13 From 18th century accounts to contemporary discourse this book critically examines the notion of Nordic exceptionalism Through careful historical analysis it explores how external observers have perceived and portrayed Nordic societies questioning the roots and evolution of this influential concept within social as well as art historical debates Our main research question is Were ideas of exceptionalism already present in early discussions and debates about the Nordic countries While the perception of Nordic exceptionalism has often been idealised the book shows that it has never been devoid of cultural criticism Nevertheless there remains a consistent acknowledgement that the Nordic countries stand out as a distinct cultural unit shaped by a distinctive cultural and political trajectory The book fills a gap in existing critical literature by analysing historical perspectives Furthermore it explores how the Nordic countries have crafted their self representation in response to these external views Each chapter is thoughtfully curated to balance scholarly rigour with accessibility making it suitable for students and scholars in the interdisciplinary fields of history cultural studies art and literary history and transnational research

[The Routledge International Handbook of Goffman Studies](#) Michael Hviid Jacobsen, Greg Smith, 2022-06-29 This book explores the fertility and enigma of Erving Goffman's sociological reasoning and

its capacity to shed fresh light on the fundamental features of human sociality Thematically arranged it brings together the work of leading scholars of Goffman's work to explore the concepts and themes that define Goffman's analytical preoccupations examining the ways these ideas have shaped significant fields of study and situating Goffman's sociology in comparison to some eminent thinkers often linked with his name Through a series of chapters informed by the same inventive and imaginative spirit characteristic of Goffman's sociology the book presents fresh perspectives on his contribution to the field and reveals the value of his thought for a variety of disciplines now increasingly aware of the importance of Goffman's sociology to a range of social phenomena A fresh perspective on the legacy of one of sociology's most important figures The Routledge International Handbook of Goffman Studies will appeal to scholars across the social sciences with interests in interactionist and micro sociological perspectives

The iPINIONS Journal Anthony Livingston Hall, 2018-04-14 ANTHONY L HALL takes aim at the global events of 2017 with a unique and refreshing perspective Some of the topics in this volume include President Trump telling pathological lies He's continually challenging us to believe the lie we hear instead of the truth we see Instagram mainstreaming strippergrams Instagram has normalized twits sharing for all the world to see not just their family albums but intimate pictures that should be for a lover's eyes only It is little more than a platform for hard core narcissists and soft porn exhibitionists to show off President Putin waiting in vain for payoff from hacking US election America's ingenious system of checks and balances has so circumscribed Trump's Putinesque impulses that all Putin has to show for his hacking is Russia suffering even worse economic sanctions and irreparable reputational damage White supremacists rampaging in Charlottesville over Confederate statue I can think of 99 things that bother me about racism in America today but a Confederate statue ain't one Justin Gatlin spoiling Usain Bolt's swan song in 100m The look of anguish on Bolt's face when it struck him that he was going to lose rivals that look in The Scream Edvard Munch's most famous painting Priceless Fox News reckoning with scourge of sexual harassment Fox News markets itself as a Christian sanctuary in a wasteland of moral degeneracy But these scandals expose it as just a proverbial Peyton Place Athletes and CEOs snubbing Trump He is so unpopular that being invited to this White House is tantamount to being invited to a garden party by that proverbial skunk

Red November Joel B. Pollak, 2020-07-14 A conservative journalist goes behind enemy lines to cover the 2020 Democratic primaries from the inside The 2020 Democratic primaries were some of the most extreme in the history of the United States But the show isn't over yet Socialism is still on the rise and ideas that used to be considered crazy are now even more mainstream than they were before In Red November conservative journalist Joel Pollak tells the story of how the Democratic party got so extreme and give a riveting account of life on the campaign trail There are stories from the Democratic debates interviews with candidates and scuffles between journalists Part travelogue part satire part memoir Red November is a factual yet humorous look behind the scenes at the candidates activists and voters as Democrats choose who will take on the sacred task of removing Donald Trump 45 as he is known to his haters from the White
