small state with little name recognition His campaign had no money and no political organization and it was taking on the entire Democratic Party establishment By the time Sanders s campaign came to a close however it was clear that the pundits had gotten it wrong Bernie had run one of the most consequential campaigns in the modern history of the country He d received more than 13 million votes in primaries and caucuses throughout the country he won twenty two states and more than 1 4 million people had attended his public meetings Most important he showed that the American people were prepared to take on the greed and irresponsibility of corporate America and the 1 percent In Our Revolution Sanders shares his personal experiences from the campaign trail And for the millions looking to continue the political revolution he outlines a progressive economic environmental racial and social justice agenda that will create jobs raise wages protect the environment and provide health care for all and ultimately transform our country and our world for the better For him the political revolution has just started The campaign may be over but the struggle goes on Includes photographs **The Fighting Soul** Ari Rabin-Havt,2022-04-26 Rabin Havt offers an intimate portrait of his cranky boss writing about everything from Sanders s famous mittens to his love of picket lines and Motown songs to his distaste for the inane droning of cable news commentators to his prescient fear that Donald Trump was nuts and would upend democracy Maureen Dowd New York Times The Fighting Soul is an unforgettable chronicle of life on the road with Bernie Sanders and the first in depth portrait of this fiercely independent and famously private left wing firebrand As a close advisor and deputy campaign manager on Sanders s most recent presidential campaign the tireless Ari Rabin Havt spent more hours between 2017 and 2020 with the Vermont senator than anyone else The Fighting Soul is a behind the scenes account of Sanders s run including his heart attack in Las Vegas his notorious debate encounter with fellow progressive Elizabeth Warren and a momentous private conversation between Sanders and Barack Obama Revelatory and heartfelt The Fighting Soul depicts the rare politician motivated by principle not power [Where We Go from Here](#) Bernie Sanders,2018-11-27 **Where We Go from Here** Bernie Sanders,2018-11-27 The inspiring national bestseller from the U S Senator and leading Democratic candidate for president about the fierce fight for democracy and social justice and what we need to do next In Where We Go from Here New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day by day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump s reactionary agenda and for a government that works for all not just wealthy campaign contributors At home Sanders has helped lead the fight for Medicare for all fought for workers desperate for higher wages and supported immigrants in the DACA program and children affected by gun violence He has stood with the people of Puerto Rico devastated by Hurricane Maria as well as veterans teachers the incarcerated the persecuted and all those who are too often ignored by Washington Abroad his voice has been clear that we need a foreign policy that strives for peace not war and international cooperation to address the crisis of climate change The good news is we re making progress People all across America are standing up to

the most dishonest and reactionary president in our history They re taking on establishment politicians who ve turned a blind eye to the concerns of everyday citizens They re fighting back against the oligarchs of Wall Street who would happily see our children do worse than their parents so long as the Dow does better And the general public continually demonstrates that we are more united than the media would allow us to believe and what we agree on are largely progressive ideals Maintaining a vibrant democracy has never been easy and in these dangerous and unprecedented times it has been more difficult than ever Bernie Sanders shows however that we can repair the damage Trump has done and create a nation based on the principles of economic social racial and environmental justice **Bernie Sanders: In His Own Words** Chamois Holschuh,2015-09-29
