*A Rhetoric of Divisive Partisanship* Colleen Elizabeth Kelley, 2018-02-19 *A Rhetoric of Divisive Partisanship* The 2016 American Presidential Campaign Discourse of Bernie Sanders and Donald Trump examines the campaign speeches of Bernie Sanders and Donald Trump as they targeted members of the American public that were ideologically different but equally emotionally vulnerable Each appealed to marginalized segments of the electorate groups at opposite ends of the political spectrum joined through a shared distrust and fear of politics instead of political or even party affiliation Both Sanders and Trump polarized and reinforced their respective bases as outsiders Both relied on anti establishment arguments and discussions grounded in personal attacks against enemies during which they joined their target audiences as marginalized outsiders united through a desire to overthrow the status quo and re claim America The book expands on previous ideas about dialogue and political talk and asserts that rather than serving as a model of civic and civil discourse the rhetoric of Sanders and Trump was reactionary and divisive begun with different intentions and producing different results **Kill Your Masters** Jaap van der Doelen, 2024-12 All the unwritten rules of rap say it doesn't happen like this Yet Killer Mike a Black man from Atlanta Georgia and El P a white man from Brooklyn New York have transformed what should have been the twilight of their careers as rappers into their biggest spotlight yet Known as the hip hop duo Run The Jewels they have headlined festivals worldwide become action figures and Marvel comic book characters spearheaded a worldwide countercultural movement and played a significant role in the last two presidential elections This is the buddy movie like story of how they got there It is a tale that parallels the incredible changes the music industry has gone through over the past twenty five years charting a course from the highs around the turn of the century to the collapse of the CD format and the eventual rise of streaming media while also mapping the evolution of both pop culture and its sociopolitical climate From the surging popularity of afrofuturism and the fall of the Twin Towers to the rise of the Black Lives Matter movement and the kneeling of Colin Kaepernick such events all tie into how their budding bromance transformed Killer Mike and El P from solo artists in underground hip hop to pop cultural icons recognized all over the globe *Focus On: 100 Most Popular 20th-century American Politicians* Wikipedia contributors, *Discordant Democracy: Noise, Affect, Populism, and the Presidential Campaign* Justin Patch, 2019-01-15 *Discordant Democracy* Noise Affect Populism and the Presidential Campaign paints a portrait of the political experience at a pivotal time in American political and social history The modern political campaign is aestheticized and assimilated into mass culture divorced from fact and policy and nakedly tethered to emotional appeal Through a multi modal comparative examination of the sonic and emotional cultures of the 2008 and 2016 campaigns Justin Patch raises critical queries about our affective relationship to modern politics and the impact of emotional campaigning on democracy *Discordant Democracy* asks how do campaign sounds affect us what role do we the electorate play in creating and sustaining these sounds and affects and what actions do they generate Theories from anthropology

cognitive science sound studies and philosophy are engaged to grapple with these questions and connect bombastic mass mediated political events campaign media and individual sonic experience The analyses complicate notions of top down campaigning political spin and enthusiastic millennial populism by examining our role in producing and animating political sounds through conversation applause laughter media and music *The Exceptional North* Robert W. Rix, Eva-Lena Bergström, Cian Duffy, Merethe Roos, 2026-04-13 From 18th century accounts to contemporary discourse this book critically examines the notion of Nordic exceptionalism Through careful historical analysis it explores how external observers have perceived and portrayed Nordic societies questioning the roots and evolution of this influential concept within social as well as art historical debates Our main research question is Were ideas of exceptionalism already present in early discussions and debates about the Nordic countries While the perception of Nordic exceptionalism has often been idealised the book shows that it has never been devoid of cultural criticism Nevertheless there remains a consistent acknowledgement that the Nordic countries stand out as a distinct cultural unit shaped by a distinctive cultural and political trajectory The book fills a gap in existing critical literature by analysing historical perspectives Furthermore it explores how the Nordic countries have crafted their self representation in response to these external views Each chapter is thoughtfully curated to balance scholarly rigour with accessibility making it suitable for students and scholars in the interdisciplinary fields of history cultural studies art and literary history and transnational research *Sustainable Business* Sally Jeanrenaud, Jean-Paul Jeanrenaud, Jonathan Gosling, 2017-01-09 What is a one planet approach to sustainable business Why is it important What are businesses doing to achieve sustainability What do business leaders need to learn Sustainable Business A One Planet Approach is a textbook for contemporary business Recognizing the realities of global sustainability challenges this book covers the knowledge frameworks and techniques that will underpin emerging solutions to those challenges Published in association with WWF The World Wide Fund for Nature Sustainable Business is an ideal basis for students at both undergraduate and postgraduate level looking to master an understanding of the relationship between sustainability and business Edited by three influential figures from sustainable business education and co authored by several leading academics this book offers a wealth of insight and interpretation into new ways of doing business that have a positive impact on people planet and prosperity In addition to the many case studies and real life examples included throughout the book lecturer slides and recommended web links can be accessed at [www.wiley.com](http://www.wiley.com) Sustainable Business also includes a foreword by Yolanda Kakabadse President of WWF The Editors are co founders of the One Planet MBA at Exeter University UK and Directors of OPEN for Business One Planet Education Network *Vanity Fair*, 2015 *Il femminismo non è un brand* Jennifer Guerra, 2024-03-05 Negli ultimi dieci anni il femminismo tornato a essere un fenomeno di massa colorando di rosa i simboli dell'emancipazione femminile e delle nobili cause a essa associate Spesso per sotto questo colore si nascondono operazioni opache Un femminismo addomesticato affine agli interessi di politici e aziende davvero femminismo Ma soprattutto questa versione mainstream una variante del

femminismo o una strategia del capitalismo Oggi a un adolescente basta aprire Instagram per imbattersi in riflessioni femministe o pseudofemministe risparmiandosi la necessit di unirsi a un collettivo o a un gruppo di autocoscienza Brand di abbigliamento si improvvisano femministi e producono magliette in serie con frasi inneggianti al girl power Pagine social e piattaforme digitali graficamente accurate alternano post o storie motivazionali a inserzioni pubblicitarie Innumerevoli servizi immateriali propongono corsi sull empowerment sulla valorizzazione femminile su come rendere pi women friendly il proprio business Inoltre l ossessione recente per le celebrity femministe promuove l idea che un certo tipo di femminismo sia da mettere in soffitta per fare spazio a un femminismo nuovo egemonico che nasconde sotto il tappeto i pensieri pi radicali e si fa portatore di valori positivi anche se profondamente contraddittori Come scrive Jennifer Guerra in questo saggio acuto la recente riemersione del soggetto politico femminista in un paradigma economico che non si fa scrupoli a capitalizzare i temi sociali in nome del profitto ci pone di fronte a delle sfide nuove Il primo nodo da sciogliere se le aziende e i marchi si meritino il patentino del femminismo e il secondo forse pi impegnativo da sbrogliare riguarda l influenza che la nuova postura della brand identity esercita sulla pratica femminista Per tentare di dare una risposta a queste domande necessario capire come si arrivati a questo punto Bernie's Sermon Bernie Sanders,2015-06-30 On December 10 2010 Senator Bernie Sanders of Vermont spoke for over eight hours on the floor of the Senate As he spoke and as the hours passed millions began to watch the speech online worldwide news coverage ensued Worthwhile reading for any concerned citizen and mandatory reading for anyone following politics in 2015 Senator Sanders s plea for common sense and fairness is sure to resonate for years to come
