bibliography **Crafting Presence** Nicole B. Wallack, 2017-06-01 Essays are central to students and teachers development

as thinkers in their fields In Crafting Presence Nicole B Wallack develops an approach to teaching writing with the literary essay that holds promise for writing students as well as for achieving a sense of common purpose currently lacking among professionals in composition creative writing and literature Wallack analyzes examples drawn primarily from volumes of The Best American Essays to illuminate the most important quality of the essay as a literary form the writer's presence She

demonstrates how accounting for presence provides a flexible and rigorous heuristic for reading the contexts formal

elements and purposes of essays Such readings can help students learn writing principles practices and skills for crafting

myriad presences rather than a single voice Crafting Presence holds serious implications for writing pedagogy by providing

new methods to help teachers and students become more insightful and confident readers and writers of essays At a time

when liberal arts education faces significant challenges this important contribution to literary studies composition and

creative writing shows how an essay centered curriculum empowers students to show up in the world as public thinkers who

must shape the knowledge economy of the twenty first century **Working in the Archives** Alexis E. Ramsey, Wendy B

Sharer, Barbara L'Eplattenier, Lisa Mastrangelo- Do Not Use, 2009-12-14 Archival research of any magnitude can be daunting

With this in mind Alexis E Ramsey Wendy B Sharer Barbara L Eplattenier and Lisa Mastrangelo have developed an

indispensable volume for the first time researcher as well as the seasoned scholar Working in the Archives is a guide to the

world of rhetoric and composition archives from locating an archival source and its materials to establishing one's own

collection of archival materials This practical volume provides insightful information on a variety of helpful topics such as

basic archival theory processes and principles the use of hidden or digital archives the intricacies of searching for and using

letters and photographs strategies for addressing the dilemmas of archival organization without damaging the provenance of

materials the benefits of seeking sources outside academia and the difficult yet often rewarding aspects of research on the

Internet Working in the Archives moves beyond the basics to discuss the more personal and emotional aspects of archival

work through the inclusion of interviews with experienced researchers such as Lynne Lewis Gallet Peter Mortensen Kathryn

Fitzgerald Kenneth Lindblom and David Gold Each shares his or her personal stories of the joys and challenges that face

today's researchers Packed with useful recommendations this volume draws on the knowledge and experiences of experts to

present a well rounded guidebook to the often winding paths of academic archival investigation These in depth yet user

friendly essays provide crucial answers to the myriad questions facing both fledgling and practiced researchers making
