Best Gay Romance 2015:

Best Gay Romance 2015 Felice Picano, 2015-02-01 Gay romance is coming into full bloom in the wake of the Defense of Marriage Act's fall and the literary world is giving this full expression. New series editor Felice Picano is one of the top gay writers in the world with many awards and much critical acclaim to his credit. Picano has written novels, plays, and major nonfiction works, and he is at his finest when it comes to the subject of love. In *Best Gay Romance 2015* he gathers a sweepingly romantic collection of short fiction that is long on love and sex. [Blackmail, My Love](#) Katie

Gilmartin, 2014-10-20 Lambda Award 2015 for Best Gay Mystery Josie O'Conner travels to San Francisco in 1951 to locate her gay brother, a private investigator investigating a blackmail ring targeting lesbians and gay men. Jimmy's friends claim that just before he disappeared, he became a rat informing the cops on the bar community. Josie adopts Jimmy's trousers and wingtips to clear his name, halt the blackmailers, and exact justice for too many queer corpses. Along the way, she rubs shoulders with a sultry chanteuse running a dyke tavern called Pandora's Box, gets intimate with a red-headed madam operating a brothel from the Police Personnel Department, and conspires with the star of Finocchio's, a dive so disreputable it's off-limits to servicemen, so every man in uniform pays a visit. *Blackmail My Love* is an illustrated murder mystery deeply steeped in San Francisco's queer history as established academic and first-time novelist Katie Gilmartin's diverse set of characters negotiate the risks of same-sex desire in a dangerous era. Set in such legendary locations as the Black Cat Cafe, the Fillmore, the Beat movement's North Beach, and the Tenderloin, *Blackmail My Love* is a singular, stunning introduction to a new author and to gay noir. **Second Chances** Erin McRae, Racheline Maltese, 2018-03-13 Pete thinks taking off the wedding ring from his dead husband is an appropriate gesture before going to bed with his new boyfriend for the first time. But when the ring won't come off, their evening gets messier than anticipated. Originally published in *Best Gay Romance 2015* from Cleis Press.

Romance in the Digital Game Amy Brierley-Beare, 2025-09-30 In the last decade, the popularity of romance in the AAA game has exploded. It has become an expectation for major releases, and a regular object of fan obsession. High-profile games such as *Baldur's Gate III* (2023), *Cyberpunk 2077* (2020), and *Starfield* (2023) prominently feature in-game romance in their multimillion-dollar promotional campaigns. Moreover, rampant speculation by gaming journalists and fans about who is romanceable will regularly accompany the announcement of a new title. However, representations of romance have long been under-examined and vaguely defined by scholars. This leaves important questions unanswered: How does the digital game mediate cultural attitudes towards love and sex? How can we classify representations of romance in the digital game? Does romance simply replicate existing hegemonies surrounding gender and sexuality, or does it offer a space for transgressive play? This book positions optional romance in the AAA game as a central object of analysis. Based on the close analysis of some of the most commercially and culturally significant games of the last 30 years, like *Grand Theft Auto IV* (2008), the *Mass Effect* series (2007-21), and the *Elder Scrolls* series (1994-2024), it is the first full-length monograph to effectively and comprehensively

categorise how mainstream gaming asks its audience to engage with romance It interrogates the idiosyncrasies of romance in the popular games to provide fresh insights into messaging surrounding normative social understandings of love sex and intimacy By theorising four representational categories of romance Limerent Physical Domestic and Ludic Automatic Love introduces a new theoretical framework for scholars to understand romance gender and sexuality in gaming **Chase's Calendar of Events 2015** Editors of Chase's Calendar of Events,2014-10-17 Publisher s Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product 12 500 entries 196 countries 365 days Find out what s going on any day of the year anywhere across the globe If you re looking to tie a promotional event to a special month travel to a music festival halfway around the world blog about a historical milestone or do a celebrity birthday round up on your radio show or Twitter feed Chase s Calendar of Events is the one resource that has it all For broadcasters journalists event planners public relations professionals librarians editors writers or simply the curious this is one reference you can t do without Chase s Calendar of Events 2015 brings you Major sporting events such as the FIFA Women s World Cup June 6 the Pan American Games July 10 and the 48th Transpacific Yacht Race July 13 Milestones such as the 800th anniversary of the Magna Carta 200th anniversary of Waterloo 150th anniversary of Lincoln s assassination 75th anniversary of Dunkirk and the Battle of Britain 150th birth anniversary of poet W B Yeats and much more New birthday entries for news makers like the new king of Spain Felipe VI of Bourbon and Greece Jan 30 or political activist Nadezhda Tolokonnikova Nov 7 sports stars such as Meryl Davis Jan 1 and Johnny Manziel Dec 6 and entertainers Lupita Nyong'o Mar 1 Chiwetel Ejiofor July 10 Jamie Dornan May 1 Dakota Johnson Oct 4 Lorde Nov 7 and Macklemore June 19 New special days such as Take Your Poet to Work Day July 15 National Black Women in Jazz and the Arts Day Mar 1 National Biscotti Day Sept 29 Runner s Selfie Day June 23 No Selfies Day Mar 16 and many more New Get exclusive access to the Chase s Calendar of Events companion website with What s on Today All the holidays events anniversaries celebrity birthdays and so on for the current day Advanced Search customize your search date ranges location key word category attendance however you want Unique Festivals of the World a new interactive map of the world click on a country and discover its major festivals Tabbed pages for Major Awards About the Holidays Spotlight for 2015 Glossary of Calendar Terms and Special Months For information on the url and password of the companion website please see details inside the book *Sexuality in Literature for Children and Young Adults* Paul Venzo,Kristine Moruzi,2021-06-08 Expanding outward from previous scholarship on gender queerness and heteronormativity in children s literature this book offers fresh insights into representations of sex and sexuality in texts for young people In this collection new and established scholars examine how fiction and non fiction writing picture books film and television and graphic novels position young people in relation to ideologies around sexuality sexual identity and embodiment This book questions how such texts communicate a sense of what is possible impossible taboo or encouraged in terms of being sexual and sexual being Each chapter is

motivated by a set of important questions How are representations of sex and sexuality depicted in texts for young people How do these representations affect and shape the kinds of sexualities offered as models to young readers And to what extent is sexual diversity acknowledged and represented across different narrative and aesthetic modes This work brings together a diverse range of conceptual and theoretical approaches that are framed by the idea of sexual becoming the manner in which texts for young people invite their readers to assess and potentially adopt ways of thinking and being in terms of sex and sexuality

Screening European Heritage Paul Cooke, Rob Stone, 2016-09-01 This book provides a unique examination of the way Europe's past is represented on contemporary screens and what this says about contemporary cultural attitudes to history How do historical dramas come to TV and cinema screens across Europe How is this shaped by the policies and practices of cultural institutions from media funding boards to tourist agencies and heritage sites Who watches these productions and how are they consumed in cinemas on TV and online are just some of the questions this volume seeks to answer From *The Lives of Others* to *Game of Thrones* historical dramas are a particularly visible part of mainstream European film production often generating major national debates on the role of the past in contemporary national identity construction
