Soccer Greats Coming Home Chest Dugger, 2021-07-30
Some are born great, some achieve greatness, and others have greatness thrust upon them. This famous quote by William Shakespeare reveals the mindset of strong achievers. But how does this apply to the all-time soccer greats? Are they born great? Do they come with magical powers? Superior coaching? Crazy life experiences? To answer this question, we looked at the life history and autobiographies of ten of the best soccer players of all time. These players have outclassed and outplayed their opponents to rise to the top and have their names etched into soccer folklore. Here's what's included in this book: Who are the greatest 10 players of all time? A Soccer Great who couldn't afford a ball so rolled a piece of paper in a sock to play? Why did Cristiano Ronaldo throw a chair at his teacher in school? A Soccer Great who had drugs injected into him at the age of eight? An Amazing Player who threw it all away at the age of 28? An All-Time Great defender who brought the World Cup home for England? A Goalkeeper who won the Euros for a team that had actually failed to qualify? And most importantly, the traits and virtues that are common to these ten soccer greats and what set them apart. This is an amazing opportunity to get into the minds of the greatest soccer players. There's information in this book that everyone can learn. We can all get better at soccer, better at life. And the best people to learn from are the best.
