## **Body Sex And Pleasure Reconstructing Christian Sexual Ethics:**

Body, Sex, and Pleasure Christine E. Gudorf, 1994 Perhaps no other single moral issue today is as hotly contested or as divisive as sexuality Offering a bold and hopeful vision of how Christians and all people of goodwill can view this explosive topic ethicist Christine Gudorf proposes nothing less than a sweeping challenge to traditional Christian teaching on sexual roles activities and relationships Deftly drawing on Scripture natural law historical and contemporary Catholic and Protestant theology the social sciences and significantly the lived experiences of today s women and men Gudorf presents a carefully crafted and systematic reconstruction of Christian sexual ethics Her aim above all is to engender appreciation not rejection and shame of our bodies and our sexuality Contending that body sex and pleasure are divine gifts revealing God s grace Gudorf emphasizes the need to understand sexual desire as a positive good a source of love and commitment She further explores the relationship between sexuality and reproduction arguing that procreationism the assumption that the sole aim and ultimate end of sexuality must always be offspring is unjust and oppressive Written with insight clarity and compassion Body Sex and Pleasure is a provocative and compelling call to all women and men to reject the damaging influence of body soul dualism and ultimately to do justice to the Incarnation the central revelations of Scripture and human dignity

**Sexual Diversity and Catholicism** Joseph Andrew Coray, 2001 The Roman Catholic Church has in recent decades sent mixed signals with regard to discrimination based on sexual identity On the one hand official documents have condemned violence and verbal abuse directed at persons of different sexual orientation on the other hand the Church has approved and lobbied for certain types of discrimination in housing and employment for example and also with regard to marriage or civil unions Sexual Diversity and Catholicism focuses specifically on Roman Catholic magisterial teachings on sexual diversity It also wrestles with explicitly Roman Catholic views of the relationship among various sources of moral wisdom between Church teachings the Bible philosophy science and experience and how their interplay might contribute to the further development of Church teaching It addresses the issue of sexual diversity and its legitimate expression under the headings Interpreting Church Teachings Interpreting the Bible Interpreting Secular Disciplines and Interpreting Human Experience Part One Interpreting Church Teachings includes My Brother Dan by Bishop Thomas J Gumbleton Unitive and Procreative Meaning The Inseparable Link by James P Hanigan The Bridegroom and the Bride The Theological Anthropology of John Paul II and Its Relation to the Bible and Homosexuality by Susan A Ross and The Church and Homosexuality A Lonerganian Approach by Jon Nilson Part Two Interpreting the Bible contains The Promise of Postmodern Hermeneutics for the Biblical Renewal of Moral Theology by Patricia Beattie Jung Questions About the Construction of Homo sexuality Same Sex Relations in the Hebrew Bible by Robert A Di Vito Romans 1 26 27 The Claim That Homosexuality Is Unnatural by Leland J White The New Testament and Homosexuality by Bruce J Malina and Perfect Fear Casteth Out Love Reading Citing and Rape by Mary Rose D Angelo Part Three Interpreting Secular Disciplines includes insights from the human and social

**Reproductive Justice and the Catholic Church** Emily Reimer-Barry, 2024-06-10 Pregnancy loss is profoundly complex ambiguous and alienating but telling women who have procured abortions that they are murderers and sinners is not the best way forward Magisterial teachings on abortion are too often presented as moral absolutes when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition This book initiates a new conversation about women's experiences of miscarriage stillbirth and abortion arguing that we need not approach these difficult life experiences in a simplistic way Dr Reimer Barry argues that both the pro life and pro choice movements make important and valuable claims yet each approach on its own is flawed Drawing on the framework of reproductive justice together with Catholic social teaching Dr Reimer Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic though not absolute value of prenatal life She argues that instead of thinking of the Church as a moral teacher with leaders in Rome or Washington DC dictating to the consciences of the faithful a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need What women deserve is justice Body and Soul Marvin M. *Baby, You are My Religion* Marie Cartier, 2014-09-11 Baby You Are My Religion argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all Baby You are My Religion explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff Baby You are My Religion examines how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall
