## **Body Snatchers Affair Carpenter Quincannon:**

**The Body Snatchers Affair** Marcia Muller, Bill Pronzini, 2015-01-06 Two missing bodies take two nineteenth century private detectives from the heights above San Francisco Bay to the depths of Chinatown's opium dens. For John Quincannon this is a first: searching a Chinatown opium den for his client's husband missing in the middle of a brewing tong war set to ignite over the stolen corpse of Bing Ah Kee. Meanwhile his partner Sabina Carpenter, unsure of the dark secrets her suitor might be concealing, searches for the corpse of a millionaire stolen from a sealed family crypt and currently being held for ransom. With the threat of a tong war hanging over the city, a war perhaps being spurred on by corrupt officials, Carpenter and Quincannon have no time to lose in solving their cases. Is there a connection between the two body snatchers? Or is simple greed the answer to this one? And why is the enigmatic Englishman who calls himself Sherlock Holmes watching so carefully from the shadows? We are delightfully immersed in one of the oft-times sinister, always seductive atmosphere of one of the most tantalizing metropolises in the world: a well-told tale.

**Dangerous Ladies Affair** Marcia Muller, 2017-01-03 For the firm of Carpenter and Quincannon Professional Detective Services, stopping extortionists is not only grand but excitingly lucrative. When a pleasant afternoon's bicycling through Golden Gate Park with a friend ends with the revelation of threatening letters followed by a gunshot in a mansion garden, Sabina Carpenter knows this is a case that demands her immediate and undivided attention. The questions her partner John Quincannon has to unravel are not difficult: Wrixton, a wealthy banker, has met his extortionist's first demand, but the order to pay another 5,000 is too much to face. The banker's real problem is something he doesn't want to reveal. That was fine with the detective, and when he was informed that some private letters were involved, Wrixton absolutely needed them back. There was nothing more Quincannon needed in the way of background. As with so many of San Francisco's elite, the bedroom doors never seemed to stay shut. That was the easy part; far more difficult was the matter of the dead courier, murdered most foully in a locked room within a locked room, creating a trail that will take John Quincannon through most of San Francisco's less savory places and end with a riverboat trip that is anything but a relaxing cruise. The Dangerous Ladies Affair is the next thrilling installment in this charming historical mystery series from MWA Grand Masters Marcia Muller and Bill Pronzini.

Master Bill Pronzini's detective series Carpenter and Quincannon Professional Detective Services is a fixture in San Francisco at the dawn of a new century. While the future is unclear, Sabina and John know one thing for certain: they will protect their clients from flimflammers, thieves, and murderers, and do whatever it takes to run these dregs of society into the arms of the law. Sometimes that requires a subtle touch. Professor A. Vargas, self-styled medium extraordinaire and his partner Annabelle, use guile and trickery to swindle bereaved men and women eager to contact the spirits of deceased loved ones. John and Sabina must not only unmask these charlatans but also solve the riddle of an impossible murder in the midst of a sordid past. Other cases involve brute force and personal danger. Such as the theft of a burglarproof safe mysteriously emptied of gold bullion. And John's pursuit of a ruthless gang of counterfeiters whose leader appears to be a man from John's past in the Secret Service, a man thought long dead. Adding spice to these exploits is Sabina and John's personal relationship, which is rapidly progressing to an exciting new level.

**The Plague of Thieves Affair** Marcia Muller, Bill Pronzini, 2016-01-26

Will the true identity of the Sherlock Holmes imposter be revealed at last? Find out in Marcia Muller and Bill Pronzini's *The Plague of Thieves Affair*. Sabina Carpenter and John Quincannon are no stranger to mysteries. In the five years since they opened Carpenter and Quincannon Professional Detective Services, they have solved dozens, but one has eluded even them: Sherlock Holmes or rather the madman claiming his identity who keeps showing up with a frustrating though admittedly useful knack for solving difficult cases. Roland W. Fairchild recently arrived from Chicago claims Holmes is his first cousin, Charles P. Fairchild III. Now with his father dead, Charles stands to inherit an estate of over three million dollars if Sabina can find him and if he can be proved sane. Sabina is uncertain of Roland's motives but agrees to take the case. John meanwhile has been hired by the owner of the Golden State brewery to investigate the accidental death of the head brewmaster who drowned in a vat of his own beer. When a second murder occurs and the murderer escapes from under his nose, John finds himself on the trail not just of the criminals but of his reputation for catching them. But while John is certain he can catch his quarry, Sabina is less certain: she wants to catch hers. Holmes has been frustrating but useful, even kind. She is quite certain he is mad and quite uncertain what will happen when he is confronted with the truth. Does every mystery need to be solved?
