## **Boardroom Book By Achyut Godbole:**

*Doing Business Without Your Money* Suresh Haware, 2020-01-01 This book is based on the first hand experiences of the first generation businessman Dr Suresh Haware. He has faced several obstacles overcome them and when he felt that now is the time to share it with the youngsters he penned down this book. There are several beliefs and misconceptions and a kind of curiosity about business in our society. The author has elucidated these in a very amusing way. Dr Suresh Haware has breached the general understanding among people that business can only be done if backed by money power. Capital can be raised from others rather it should be raised from others only. The main Capital that one should compulsorily have to do business is that of strong will power, self-confidence and business attitude. In order to imbibe this basic mantra he discusses the required elements in detail in this book to raise hopes to do business. The stories he has shared are really inspiring. Wiser are they who learn from others experience too. This book will make you wiser. Hence these words of experience will certainly be very useful for the youth wanting to set up a new business and also to those wanting to progress in business. The words of experience and expertise of Dr Haware will certainly be inspiring and guiding to aspiring businessmen.
