Bobby And Mande's Dont Hide Abuse Childrens Safety Book:

Bobby and Mande's Don't Hide Abuse Robert Kahn,2011-07 Introduces the topic of physical abuse and how children can protect themselves Includes questions to gauge the child s understanding and tips for parents **Bobby and Mande's Good Touch, Bad Touch** Robert Kahn,2011-07 Introduces the topic of sexual abuse and how children can protect themselves Includes questions to gauge the child s understanding and tips for parents **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Bobby and Mande's Good Touch/Bad Touch: Children's Safety Book* Robert Kahn, The Advocate ,2003-09-16 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Indianapolis Monthly ,2001-12 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape *Library Journal* ,1984-07 Bobby and Mande's Too Safe for Strangers Robert Kahn,2001 Most children especially children on the autism spectrum accept adults friendliness at face value Sometimes it can have tragic consequences Written by a Deputy Sheriff this book is credited with foiling at least 22 stranger abductions Characters Bobby and Mande explain stranger danger in a way that is accessible but not frightening for children Read it to your child and role play different scenarios Strangers can be men or women old or young Adults should not touch give gifts to or ask for help from children If they do don t keep it a secret Tell an adult Arm your child with the knowledge that may save his or her life **Who's who in America** ,2003 Genius with a Penis, Don't Touch! Stacey Honowitz,2010-12 Stacey Honowitz is a twenty two year veteran of the State Attorney s office seventeen years dedicated to the Sex Crimes and Child abuse Unit where she is currently serving as a supervisor She is also a frequent legal commentator who has provided legal analysis for Larry King Live Good Morning America Dateline NBC CBS News 48 Hours MSNBC CNBC as well as Fox News and Court Television She has prosecuted several high profile cases in South Florida and is also a guest lecturer who speaks about child sex abuse the sensitive nature of these cases the navigation of the criminal justice system and the importance of frank and open communication with children about this important and difficult subject matter She has provided important information for several years to both parents and children on the issues of child molestation and continues to send the message that the importance of reporting the abuse it is the first step in healing Stacey is also the author of *My Privates are Private* Parents always want to know how to talk to their children about sexual abuse They understand the importance of the topic yet many struggle to find the right words This book was written specifically with that in mind and gives parents the opportunity to discuss this subject matter without feeling uncomfortable The importance of *Genius with a Penis Don t Touch* is two fold The book will put both parents and children at ease when dealing with this very difficult delicate and often thought of as taboo

subject matter The main character Bobby Boodle lets you into his little boy world and then helps parents and children engage in breaking the ice when bringing up the subject of private parts and touching The book allows for open and frank communication between parents and children and does not make the subject matter intimidating Bobby teaches children through his limericks the importance of knowing your private parts and then stresses the importance of reporting abuse The limericks are easy to remember and send powerful and important messages first and foremost don't ever be afraid to tell someone if you think you are being hurt The book enables children to see a cute character who has to deal with an important subject They will feel sense of relief in seeing that children can speak up and not be afraid to report abuse The message throughout the book is quite clear never be scared if you are a abused and always know that someone will listen to you and help you along the way Bobby advocates the many ways to seek out help and teaches children that they should never be fearful of talking about abuse This book will bring parents and children together in fighting the fight against sexual abuse Education and communication are the lessons Genius with a Penis Don't Touch will convey to both parents and children

I Am Safe Kimberly Rae, 2015-07-24 The coloring book I AM SAFE has pleasant cheerful pictures and begins with safety tips children are already comfortable and familiar with such as fire safety or bike safety It moves into healthy ways to express the concepts of good touch bad touch what to do if an adult gives them a present to keep a bad secret etc As a child goes through the book it presents protective concepts in the same way for abuse as it does for fire safety helping the child learn without being frightened Most importantly along with the coloring book comes a parent teacher advocate companion This companion book has smaller versions of the same pictures so an adult can color along with the child creating a comforting setting rather than a We need to talk discussion setting The adult version has additional information that can be adapted to the child's age and level of understanding including statistics questions to ask and some great ideas such as a family password I AM SAFE is created for advocacy groups churches schools and homes appropriate for children in sheltered environments as well as children overcoming past abuse

Personal Note by Author Kimberly Rae When I first had kids if someone told me I should talk with my children at an early age about good touch bad touch and rules about what to do if an adult crossed the boundaries into inappropriate behavior I'd have probably shrunk away and thought that was over the top paranoid Besides how would I bring up the topic without telling them way more than they needed to hear Now that I know that 90% of childhood sexual abuse cases occur with someone the child already knows I don't assume that strangers are the only danger to my children and if I keep them from suspicious people they will be safe Predators are good at getting adults and children to trust them and they often target places where they gain access to lots of kids in authority based environments such as churches summer camps schools etc I write and train on human trafficking and over the years my research has brought me to what I believe is one of the most important and most overlooked aspects of trafficking childhood sexual abuse There is a huge huge overlap between victims of childhood abuse and victims of childhood and adult exploitation We might be able to shield the children

we love from being targeted on the internet or in the mall but the fact that child abuse frequently happens by someone the child knows and often someone the entire family trusts is terrifying Because of this kids need to be taught when behavior crosses from appropriate and loving to inappropriate and abusive However like me many adults are wary of broaching the topic unsure of how to present helpful information without over educating or scaring children Others just don't know what to say I partly created this resource for myself I have two children and would much rather talk comfortably over a coloring page than sit them down at the table and have a training session that will make us all nervous I wanted something conservative parents would feel comfortable sharing with their children I wanted something I could offer parents teachers or advocates that would help victims talk about it and overcome taking away vulnerability to further exploitation in the future I can't express how much I want childhood sexual abuse to stop How important it is that children are empowered to know that when something is wrong they have options and what those options are To understand that sexual abuse is a crime and should be treated as such Right now statistics say 1 in every 4 women and 1 in every 6 men experienced some form of childhood sexual abuse I meet them often when I speak Many have still never told Wouldn't it be wonderful if through resources like I AM SAFE we could change that statistic for the next generation Find out more at www.kimberlyrae.com Shhh, Don't Tell Michelle Knight, 2022-04-16 Shhh Don't Tell by Author Michelle Knight share the heart rending story of Riley a 12 year old girl sexually abused by her half brother Josh One afternoon Josh was entrusted to watch his younger sister but during their time together Josh turned from brother to predator manipulating and raping Riley in her bedroom Like many abuse victims overwhelming fear and shame led Riley to keep the abuse a secret Through Riley's abuse Shhh Don't Tell declares a powerful message for all children to know and learn your voice matters abuse is not your fault and you should never keep secrets that cause emotional and physical harm to you or anyone else **My Body Belongs to Me** Jill Starishevsky, 2014-04-10 Without being taught about body boundaries a child may be too young to understand when abuse is happening or that it's wrong This straightforward gentle book offers a tool parents teachers and counselors can use to help children feel be and stay safe The rhyming story and simple friendly illustrations provide a way to sensitively share and discuss the topic guiding young children to understand that their private parts belong to them alone The overriding message of My Body Belongs to Me is that if someone touches your private parts tell your mom your dad your teacher or another safe adult **Shady People** Jeff Davenport, 2020-05-01 There are several books for children about body safety However there remains the need to equip children to recognize and respond to potentially dangerous situations even with people they might know and may have even trusted in the past This book also helps equip children to report potential abuse in appropriate ways a major need In addition Shady People approaches the extremely difficult subject of body safety in a whimsical way that does not rob a child of their innocence Here's what some experts are saying about Shady People Shady People takes an incredibly hard topic and makes it whimsical and fun The tone is light but the message is powerful Any child who reads Shady People will walk away with a

clear understanding of body safety This book has the power to save children from unnecessary trauma I would highly recommend that every parent take the time to share it with their children Natasha Daniels LCSW Child Therapist Author Hill Child Counseling Creator of [www AnxiousToddlers com](http://www.AnxiousToddlers.com) Shady People explores through a simple approach and rhyme a very difficult and important subject that needs to be heard by all young children By providing a nondescript villain SHADY can become a focal point for children to attach unpleasant actions and feelings Also by planting the seeds of appropriate and inappropriate interaction children will more readily be able to identify this character whomever it may be Dr Mark Posey Pediatric Psychologist and Associate Professor of Clinical Pediatrics USC School of Medicine There are several books for children about body safety However there remains the need to equip children to recognize and respond to potentially dangerous situations even with people they might know and may have even trusted in the past This book also helps equip children to report potential abuse in appropriate ways a major need In addition Shady People approaches the extremely difficult subject of body safety in a whimsical way that does not rob a child of their innocence Here s what some experts are saying about Shady People Shady People takes an incredibly hard topic and makes it whimsical and fun The tone is light but the message is powerful Any child who reads Shady People will walk away with a clear understanding of body safety This book has the power to save children from unnecessary trauma I would highly recommend that every parent take the time to share it with their children Natasha Daniels LCSW Child Therapist Author Hill Child Counseling Creator of [www AnxiousToddlers com](http://www.AnxiousToddlers.com) Shady People explores through a simple approach and rhyme a very difficult and important subject that needs to be heard by all young children By providing a nondescript villain SHADY can become a focal point for children to attach unpleasant actions and feelings Also by planting the seeds of appropriate and inappropriate interaction children will more readily be able to identify this character whomever it may be Dr Mark Posey Pediatric Psychologist and Associate Professor of Clinical Pediatrics USC School of Medicine

My Private Parts Are Private! Robert D. Edelman, Selena Carter, 2013-05-01 Introduces the topic of sexual abuse and ways to keep one s body private It helps adults and children talk about sexual abuse together in a way which minimizes embarrassment and fear but emphasizes self protection and open communication Children learn that it s OK to tell and talk about their feelings and that sexual abuse is never their fault in hopes that they can continue to heal

Let's Play Safe Jill Nyland, 2016-12-09 Reporting Child Abuse Try to be as specific as you can For example instead of saying The parents are not dressing their children right say something like I saw the child running outside three times this week in subzero weather without a jacket or hat I saw him shivering and uncomfortable He seemed to want to come inside However remember that it is not your job to prove abuse or neglect If suspicions are all you have you should report those as well If you are concerned that a child you know may be a victim of abuse call your local law enforcement agency or find your states child abuse report number at [childrensvoiceinc org](http://childrensvoiceinc.org)

Keeping Kids Safe Pnina Tobin, Sue Levinson Kessner, 2002 Teaches adults simple and specific ways to educate their children as early as possible to

protect themselves from sexual abuse and includes a Facilitator's Guide and two Curricula designed to help educators incorporate the safety lessons into their classrooms

Keeping Me Safe At Home: The Protect Me Series Cindy Chambers, 2019-03-29 Keeping Me Safe At Home was written to give parents and guardians a guide to keeping children safe if they need to be home alone This positive and encouraging story explains and reinforces the importance of Family Rules for children's safety Information to help determine YOUR family rules as well as organizations that can help are included in this book When do children have the skills and maturity to be safely left home alone This is a difficult decision for all parents yet developing family rules provides children with guidance to make good choices When successful the experience can boost a child's confidence as well as promote independence and responsibility This story provides a great way for parents and children to talk about and prepare for this developmental milestone Lisa Specter Dunaway CEO Families Forward Virginia Virginia Chapter of Prevent Child Abuse America www.familiesforwardva.org Keeping Me Safe at Home is a fantastic resource for both parents and professionals to help guide conversations in a child friendly manner as families decide if a child is ready to be left home alone This engaging story teaches children important safety lessons while empowering them to be more responsible and better prepared to stay home alone Cindy Chambers once again captures the hearts and minds of her young audience while seamlessly weaving in lessons on safety and well being This thought provoking story will help readers answer the question Is my child ready to be left home alone Dave Cleary Founder SCAN of Northern Virginia I love how Keeping Me Safe at Home takes such an important topic and breaks it down so that people will have an opportunity to talk to children about making good choices I also like that it provides readers the occasion to see that social workers are kind and that our main goal is to keep children safe Randi Knights Director Manassas Park Department of Social Services Keeping Me Safe at Home is a wonderful book about keeping children safe when they are home alone It takes me back in time to when my family made decisions about when and how it was appropriate to leave our daughters alone The book does an outstanding job of explaining the importance of rules and guidelines that should be in place It is an excellent addition to The Protect Me Book Series Jeanette Rishell Mayor City of Manassas Park

My Very Own Book about Me! Jo Stowell, 1994 A workbook for children designed to diagnose prevent and treat child sexual abuse without creating fear or embarrassment

My Body Belongs to Me from My Head to My Toes, 2014-01-07 Now every parent grandparent or teacher can explain to a child the difference between appropriate and inappropriate touching in a way that young boys and girls can understand As a child there are constantly people trying to pick you up hug you or tickle you Sometimes though children fall victims to people who try to touch them inappropriately But how do you tell someone most likely an adult that you don't want to be touched Or if it has already happened how do you tell an adult you trust about what happened You're only a child and they're the adults Why would they believe you My Body Belongs to Me from My Head to My Toes is an educational tool to help instill confidence in children when it comes to their bodies The narrative of the story is led by a girl named Clara who encourages kids to say no if

they are uncomfortable with physical contact The narrator gives readers tips about what they can say or do to avoid unwanted physical contact or how to tell the right people in the event it has already occurred My Body Belongs to Me from My Head to My Toes is an invaluable resource that gives children a voice in uncomfortable situations
