**Bobby Jones and the Quest for the Grand Slam** Catherine M. Lewis, 2005 The newly updated version of the phenomenally detailed examination of the legend's career and life is augmented with a brand new DVD with exclusive museum archival footage in a specially produced documentary **Trials and Triumphs of Golf's Greatest Champions** Lyle Slovic, 2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In **Trials and Triumphs of Golf's Greatest Champions A Legacy of Hope** Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume **Trials and Triumphs of Golf's Greatest Champions** offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials

**Rooting for the Home Team** Daniel A. Nathan, 2013-05-01 **Rooting for the Home Team** examines how various American communities create and maintain a sense of collective identity through sports Looking at large cities such as Chicago Baltimore and Los Angeles as well as small rural towns suburbs and college towns the contributors consider the idea that rooting for local athletes and home teams often symbolizes a community's preferred understanding of itself and that doing so is an expression of connectedness public pride and pleasure and personal identity Some of the wide ranging essays point out that financial interests also play a significant role in encouraging fan bases and modern media have made every seasonal sport into yearlong obsessions Celebrities show up for big games politicians throw out first pitches and taxpayers pay plenty for new stadiums and arenas The essays in **Rooting for the Home Team** cover a range of professional and amateur athletics
