John-Paul Himka, Andriy Zayarnyuk

Bodies Like Bright Stars Saints And Relics In Orthodox Russia:

Bodies Like Bright Stars Robert H. Greene, 2010 Readable and witty Integrating Western scholarship with a deep plumbing of archival material Greene has deftly analyzed the myriad interactions among saints bones believers religious leaders imperial officials and Bolsheviks from the most mundane level to Lenin himself Book jacket ["Bodies Like Bright Stars"](#) Robert H. Greene, 2004 **The Routledge Handbook of the History of Moscow** Christopher J. Ward, 2026-01-28

This timely handbook of recent scholarship on Moscow moves beyond today's headlines to present a broad spectrum of methodological and historiographic perspectives on the city's historical and contemporary significance In the over 30 years since the dissolution of the Soviet Union the history of Moscow has been explored through focused approaches including academic and architectural histories guidebooks fiction and other texts However the broader history of Moscow as a whole has been a secondary consideration and the lack of a unified body of academic works is profound The Routledge Handbook of the History of Moscow redresses this deficiency by placing the city within its deserved *longue durée* context It is particularly notable in that it includes chapters from historians who continue to work within the Russian Federation despite personal risk scholars in the Russian diaspora and Russian studies specialists from Europe Canada and the United States Through this variety of lenses readers will be provided with an understanding of Moscow's prominent role on the world stage both past and present The Routledge Handbook of the History of Moscow will be useful for university faculty seeking a non textbook option for their undergraduate and graduate courses in Russian Soviet and post Soviet studies *Hagiography and Religious Truth* Rico G. Monge, Kerry P. C. San Chirico, Rachel J. Smith, 2016-09-16 The hagiographic materials from the world's religions can tell us much about the beliefs and practices of the people yet the limited degree to which hagiography has been used as an instrument for understanding diverse religious traditions is surprising Hagiography and Religious Truth provides a clearer understanding of the ways hagiography functions to disclose truth for practitioners and suggests various ways that these underexploited sources enrich our comprehension of broader issues in religious studies This volume provides a much needed cross cultural and interreligious comparison of saints lives iconography and devotional practices The contributors show that hagiographic sources can in fact be truths of manifestation which function as vehicles for prefiguring configuring and refiguring religious social and cultural life The editors argue that some meanings simply cannot be communicated effectively through historical critical methodologies By exploring how hagiography functions throughout several of the world's religious traditions this volume illustrates how various modes of hagiography articulate religious ideas and uniquely represent conceptions of sanctity **Framing Mary** Amy Singleton Adams, Vera Shevzov, 2018-04-24 Despite the continued fascination with the Virgin Mary in modern and contemporary times very little of the resulting scholarship on this topic extends to Russia Russia's Mary however who is virtually unknown in the West has long played a formative role in Russian society and culture Framing Mary introduces readers to the cultural life of Mary from the seventeenth century to the

post Soviet era It examines a broad spectrum of engagements among a variety of people pilgrims and poets clergy and laity politicians and political activists and the woman they knew as the Bogoroditsa In this collection of well integrated and illuminating essays leading scholars of imperial Soviet and post Soviet Russia trace Mary s irrepressible pull and inexhaustible promise from multiple disciplinary perspectives Focusing in particular on the ways in which both visual and narrative images of Mary frame perceptions of Russian and Soviet space and inform discourse about women and motherhood these essays explore Mary s rich and complex role in Russia s religion philosophy history politics literature and art Framing Mary will appeal to Russian studies scholars historians and general readers interested in religion and Russian culture

Socialist Churches Catriona Kelly,2016-11-01 In Russia legislation on the separation of church and state in early 1918 marginalized religious faith and raised pressing questions about what was to be done with church buildings While associated with suspect beliefs they were also regarded as structures with potential practical uses and some were considered works of art This engaging study draws on religious anthropology sociology cultural studies and history to explore the fate of these socialist churches showing how attitudes and practices related to them were shaped both by laws on the preservation of monuments and anti religious measures Advocates of preservation while sincere in their desire to save the buildings were indifferent if not hostile to their religious purpose Believers on the other hand regarded preservation laws as irritants except when they provided leverage for use of the buildings by church communities The situation was eased by the growing rapprochement of the Orthodox Church and Soviet state organizations after 1943 but not fully resolved until the Soviet Union fell apart Based on abundant archival documentation Catriona Kelly s powerful narrative portrays the human tragedies and compromises but also the remarkable achievements of those who fought to preserve these important buildings over the course of seven decades of state atheism Socialist Churches will appeal to specialists students and general readers interested in church history the history of architecture and Russian art history and cultural studies

Understanding World Christianity Alexander S. Agadjanian,Scott M. Kenworthy,2021-01-19 Understanding World Christianity Russia is a broad examination of Christianity especially Orthodox Christianity in modern Russia The Russian Orthodox Church is currently playing a very prominent role in Russian society and politics and it is not possible to fully understand Russia today without it The role of Russian Orthodoxy today is a dramatic reversal from the suppression it suffered for most of the 20th century under the Soviet regime Based upon a wealth of recent research in multiple fields this book examines the complexity of contemporary Russian Orthodoxy within a historical context It first introduces the reader to what is distinctive about Orthodox Christianity in general and Russian Orthodoxy in particular then provides an overview of the history of Christianity in Russia its various regional expressions the experience of representative individuals during the 20th century an examination of modern Russian theology and ends with an analysis of the post Soviet relationship of religion politics and society It is an ideal introduction for students and non specialists interested in Global Christianity Orthodox Christianity

Russian Studies and any others who wish to know how Christianity influences and is influenced by the Russian context

Making Saints Robert H. Greene, 2006 *Letters from Heaven* John-Paul Himka, Andriy Zayarnyuk, 2006-12-30 *Letters from Heaven* features an international group of scholars investigating the place and function of popular religion in Eastern Slavic cultures. The contributors examine popular religious practices in Russia and Ukraine from the middle ages to the present considering the cultural contexts of death rituals, miracles, sin and virtue, cults of the saints and icons. The collection not only fills a void in religious scholarship but also responds to current theoretical challenges. Reflecting critically on the heuristic value of popular religion and on the concept of popular culture in general, *Letters from Heaven* is characterized by a shift of focus from churches, institutions and theological discourse to the religious practices themselves and their interconnections with the culture, mentality and social structures of the societies in question. An important contribution to the fields of religion and Eastern Slavic studies, this volume challenges readers to rethink old pieties and to reconsider the function of religion. Histoire Russe, 2009 Working Souls Page Herrlinger, 2007 *Slavic Review*, 2005 **Life as Exploit** Elina Kahla, 2007 Modern Greek Studies Yearbook, 2012 Publications of the State of Illinois Illinois. Office of Secretary of State, 2009 **Cartographies of Tsardom** Valerie Ann Kivelson, 2006. By studying 17th century maps, Kivelson sheds light on Muscovite Russia: the relationship of state and society, the growth of an empire, the rise of serfdom and the place of Orthodox Christianity in society. OCLC Directory of History Departments and Organizations in the United States and Canada, 2005 **Directory of History Departments, Historical Organizations, and Historians**, 2005 Glaube und Eigensinn Ulrike Huhn, 2014. English summary: How did Orthodox Christians practice their religion in the atheist Soviet Union during the war and post-war period after most churches had been closed and many priests arrested during the years of terror? Contrary to what the Bolsheviks had predicted, Orthodox faith and religious practices did not die out. Religious life and the atheist Soviet state did not necessarily represent a contradiction. This became especially apparent after the Soviet leadership had made a sharp U-turn with regard to religion in the autumn of 1943 in order, among other things, to make concessions to the Western allies. Many Christians in the Soviet Union could now claim social normality and acceptance. As a result, a new social class emerged that could be described as Soviet believers. German description: Wie lebten orthodoxe Christen ihre Religiosität in der atheistischen Sowjetunion der Kriegs- und Nachkriegszeit, nachdem in den Jahren des Terrors die meisten Kirchen geschlossen und viele Priester verhaftet worden waren? Orthodoxer Glaube und religiöse Praktiken waren anders als es die Bolschewiki vorhergesagt hatten: nicht tot. Sie lebten nur unter anderen Bedingungen und jenseits der Kirchenräume fort. Wallfahrten, Andachten und religiöse Feste schufen eigene Zeiten und Räume, die dem Zugriff des Staates weitgehend entzogen waren. Doch religiöses Leben und die atheistische Sowjetunion mussten nicht im Widerspruch stehen. Dies zeigte sich, nachdem die sowjetische Führung im Herbst 1943 eine scharfe Kehrtwende im Verhältnis zur Religion vollzogen hatte und um den westlichen Verbündeten entgegenzukommen, sie erlaubte die Wiederwahl eines

Patriarchen und die Wiederherstellung der Kirchenstrukturen und schuf damit neue Bedingungen für orthodoxe Christen in der Sowjetunion. Damit vergrößerte sich der Spielraum für alle Akteure. Orthodoxe Gläubige bezogen in Abhängigkeit von ihrem Verhältnis zum sowjetischen Staat Stellung für oder gegen das nun von der Parteispitze unterstützte Moskauer Patriarchat. Priester gingen Allianzen mit staatlichen Vertretern ein und griffen mitunter auf die Ressourcen des Staates zurück. Der Staat selbst schwankte zwischen Ablehnung und Duldung der Kirche und bestimmter kirchlicher Praktiken. Doch dies erzeugte nicht nur neue Spannungen. Viele Christen in der Sowjetunion beanspruchten nunmehr gesellschaftliche Normalität und Akzeptanz. In der Folge entstand eine neue gesellschaftliche Gruppe, die man als sowjetische Gläubige bezeichnen konnte. **Revue des études slaves**, 2010

While this might not be the Bodies Like Bright Stars Saints And Relics In Orthodox Russia full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Bodies Like Bright Stars Saints And Relics In Orthodox Russia eBooks, including some popular titles.

FAQs About Bodies Like Bright Stars Saints And Relics In Orthodox Russia Books

What is a Bodies Like Bright Stars Saints And Relics In Orthodox Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Bodies Like Bright Stars Saints And Relics In Orthodox Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Bodies Like Bright Stars Saints And Relics In Orthodox Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Bodies Like Bright Stars Saints And Relics In Orthodox Russia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Bodies Like Bright Stars Saints And Relics In Orthodox Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
