Body Symbolism in the Bible Silvia Schroer, Thomas Staubli, 2017-05-05 Many people with illnesses seek healing in religions and practices that are only weakly inculturated among us Our understanding and use of such foreign wisdom is often just as superficial but it is easily understood against the background of a centuries long Christian tradition of interpreting the Bible in a way hostile to the body particularly the female body In Body Symbolism in the Bible Schroer and Staubli offer a better understanding of this subject by exploring the symbolism of various body parts in the Bible They reinterpret and thereby reclaim the notion of the body as a temple of God so that regard for the body can lead to respect for the human rights of women and men Exploring the topic through the lenses of theological anthropology and biblical spirituality their presentation will surely add clarity to our understanding and generate future discussion Richly illustrated in full color

The A to Z Guide to Bible Signs and Symbols Neil Wilson, Nancy Ryken Taylor, 2015-02-10 How might our understanding of God's Word be deepened if we recognized the significance of the signs and symbols found within its pages signs that would have been obvious to the original readers From the tree of life to Noah's ark from circumcision to animal sacrifice From the feasts the Passover lamb and the manna in the wilderness to the furniture in the tabernacle and the visions of prophets From the Lord's Supper to baptism and from the cross to the empty tomb Throughout the Scriptures signs and symbols weave a consistent message of God's presence grace and faithfulness This illustrated resource will help readers understand key biblical images that reveal God's purposes and truth Each entry includes multiple illustrations explanations and key Bible passages Sidebars quotes and photos make this guide approachable and engaging

The Meaning and Interpretation of Desire in the Bible Samo Skralovnik, 2022-08-23 The term desire in the Hebrew Bible covers a wide range of human longings emotions and cravings The direct and explicit term of desire is nevertheless limited to only two roots found in the Decalogue the verb forms of the lexical roots and which reflect not only the dynamics of desire occurring in human beings but also in God With an comprehensive semantic analysis and an overview of the synonyms and antonyms the author shows that the verb form of the lexical root denotes a variety of needs related to human existence including

aspiration for God while the verb form of the lexical root denotes the desire to acquire material wealth and possessions beyond basic needs All the findings are compared on two levels in relation to human beings objects and people and in relation to God and ultimately serve for the interpretation of the roots in both versions of the Decalogue Exod 20 17 and Deut 5 21 to resolve questions concerning the meaning of the desire in Tenth Commandment and substantiate whether the answers to life s questions provided by the Bible correspond to modern society **Dictionary of Biblical Imagery** Leland Ryken,James C. Wilhoit,Tremper Longman III,2010-05-11 This reference work explores the images symbols motifs metaphors figures of speech and literary patterns found in the Bible With over 800 articles by over 100 expert contributors this is an inviting enlightening and indispensable companion to the reading study contemplation and enjoyment of the Bible

Heroic Bodies in Ancient Israel Brian R. Doak,2019-04-26 Authors from the ancient world rarely used great detail to describe the physical features of characters in their works When they did mention bodies they did so with very specific goals in mind In particular the bodies of heroic figures such as warriors kings and other leaders became loaded sites of meaning for encoding cultural religious and political values on a number of fronts Brian Doak analyzes the way biblical authors described the bodies of some of their most iconic male figures such as Jacob the Judges Saul and David These bodies represent not mere individuals they communicate as national bodies signaling the ambiguity of Israel s murky pre history the division during the period of settlement in the land and the contest of leading bodies fought between Saul and David Heroic Bodies in Ancient Israel examines the heroic world of ancient Israel within the Hebrew Bible and shows that ancient Israelite literature operated within and against a world of heroic ideals in its ancient context The heroic body tells a story of Israel s remembered history in the eventual making of the monarchy marking a new kind of individual power Not merely a textual study of the Hebrew Bible in isolation this book also considers iconography and compares Israelite literature with other ancient Mediterranean and Near Eastern materials illustrating Israel s place among a wider construction of heroic bodies

Love in the Hebrew Bible Song-Mi Suzie Park,2023-05-30 Christians insist that love stands at the heart of who God is Yet when we talk about love in the Hebrew Bible how much do we really know Possessing such a belief alone does not mean that we possess a clear understanding of what love is Are we aware of how often divine and human love are tied up with the idea of preference for one individual or group over another Do we know how often descriptions of love involve questions of power authority and gender Do we see that love is connected to suffering betrayal and sometimes death in the Hebrew Scriptures In Love in the Hebrew Bible one of the first book length studies of its kind Suzie Park provides fascinating and essential insights into these questions refreshing our understanding of the meaning of love in the Hebrew Bible Pushing against characterizations of the loving God of the New Testament narrative universe versus the wrathful God of the Old Testament Park shows that love is integral to the ways in which relationships both among people and also between humanity and God are imagined in the Hebrew text Reflecting matrices of meaning and associations love thus is a vital component of

the ideology and theology of the Hebrew Scriptures and an understanding of it remains fundamental to our knowledge of the biblical text
