BEAUTY AND SELF-IMAGE IN AMERICAN CULTURE DEBRA L. GIMLIN

# Body Work Beauty And Self Image In American Culture

**Lee Kofman**

## **Body Work Beauty And Self Image In American Culture:**

**Body Work** Debra Gimlin, 2002-01-02 Debra Gimlin focuses on four sites where she conducted in depth research a beauty salon aerobics classes a plastic surgery clinic and a social and political organization for overweight women The honest and provocative interviews included in this book uncover these women s feelings about their bodies their reasons for attempting to change or come to terms with them and the reactions of others in their lives These interviews show that women are redefining their identities through their participation in body work that they are working on their self images as much as on their bodies Plastic surgery for example ultimately is an empowering life experience for many women who choose it while hairstyling becomes an arena for laying claim to professional and social class identities **Body Work** Debra L. Gimlin, 2001 Emotions, Bodies, and Identities in the Hair and Beauty Salon Hannah McCann, 2026-01-08 This book argues that salon work involves care via responding to emotions through talk managing bodies through touch and curating identities through aesthetics **Gender, Women's Health Care Concerns and Other Social Factors in Health and Health Care** Jennie Jacobs Kronenfeld, 2018-09-18 This book analyses micro level gender issues and other social factors impacting macro level health care systems Examining the health and health care issues of patients and providers of care both in the United States and in other countries chapters focus on linkages to policy and population concerns as ways to meet global health care needs **Imperfect** Lee Kofman, 2019-01-08 By the time she was eleven and living in the Soviet Union Lee Kofman had undergone several major operations on both a defective heart and injuries sustained in a bus accident Her body harbours a constellation of disfiguring scars that have shaped her sense of self and her view of the world But it wasn't until she moved to Israel and later to Australia that she came to think these markings weren't badges of honour to flaunt but were in fact imperfections that needed to be hidden away In a captivating mix of memoir and cultural critique Kofman casts a questioning eye on the myths surrounding our conception of physical perfection and what it's like to live in a body that deviates from the norm She reveals the subtle ways we are all influenced by the bodies we inhabit whether our differences are pronounced or noticeable only to ourselves She talks to people of all shapes sizes and configurations and takes a hard look at the way media and culture tell us how bodies should and shouldn't be Illuminating confronting and deeply personal **Imperfect** challenges us all to consider how we exist in the world and how our bodies shape the people we become Questioning Gender Robyn Ryle, 2020-08-04 Questioning Gender A Sociological Exploration serves as a point of departure for productive conversations and questions about gender and as a resource for exploring answers to many of those questions Rather than providing definitive answers this book takes a global approach and aims to challenge students preconceptions about gender and to demonstrate how gender as a system creates and reinforces inequality Author Robyn Ryle uses both historical and cross cultural approaches to help students understand the socially constructed nature of gender With a focus on contemporary topics including the MeToo movement sexual harassment in the workplace and the gender wage gap students will be

prompted to think critically about past present and future gender related issues Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides American Studies ,1971 Making the American Mouth Alyssa Picard,2004 **Feminism in Popular Culture** Joanne Hollows,Rachel Moseley,2006 Based on a diverse range of texts and sites including Bridget Jones African American music videos news coverage radio shows the *Scream* trilogy Sex and the City and hip hop the authors analyse how different meanings of feminism have been negotiated within popular culture and how popular culture has made sense of feminism *Masculinity, Femininity, Appearance Ideals, and the Black Body* Kristie A. Ford,2006 **Cultural Encyclopedia of the Body: M-Z** Victoria Pitts-Taylor,2008 Explores the human body alphabetically by part detailing practices and beliefs from the past and present and from around the world **Feminist Studies** ,2005 Journal of Feminist Studies in Religion ,2002 The British National Bibliography Arthur James Wells,2002 *Women: Images & Realities, A Multicultural Anthology* Amy Kesselman,Lily D McNair,Nancy Schniedewind,2008 This best selling anthology is a unique introduction to feminism and women s studies It presents a multidisciplinary collection of academic essays and analyses personal narratives and fiction and poetry about women s lives The selections illustrate the variety of women s experiences primarily in the United States considering both commonalities and differences among women and appreciating women s diverse approaches to living and fostering change *The Book Review Digest* ,2003 **A Sociology of Food and Nutrition** John Germov,Lauren Williams,2008 A Sociology of Food and Nutrition The Social Appetite is a comprehensive introduction to the social context of food and nutrition Leading international authors analyse the socio cultural political economic and philosophical factors that influence contemporary food production distribution and consumption Back cover *The Muscular Ideal* J. Kevin Thompson,Guy Cafri,2007 This edited book draws on new research to provide an overview of the muscular ideal including historical and present socioeconomic trends assessment and measurement issues and clinical presentation of disorders such as muscle dysmorphia Chapters also cover related issues such as steroid use repeated cosmetic surgery and prevention issues *The Becoming of Bodies* Rebecca Coleman,2009-08-15 Thinking through original empirical research this book explores the relations between girls bodies and images from a Deleuzian perspective Holding in suspension models of cause and effect and of subject ivity object ivity it asks what do images make possible for the becoming of bodies Cultural Encyclopedia of the Body: A-L Victoria Pitts-Taylor,2008 Explores the human body alphabetically by part detailing practices and beliefs from the past and present and from around the world
