**Kill Caesar!** Rose Mary Sheldon, 2023-06-14 Why were Rome's first emperors the good the bad and the ugly so vulnerable to conspiracies and assassination an expert analysis compelling Adrienne Mayor author of *The Poison King The Life and Legend of Mithradates* and *Rome's Deadliest Enemy Exploring the history of internal security under the first Roman dynasty* this groundbreaking book answers the enduring question If there were 9 000 men guarding the emperor how were three quarters of Rome's leaders assassinated Rose Mary Sheldon traces the evolution of internal security mechanisms under the Julio Claudians evaluating the system that Augustus first developed to protect the imperial family and the stability of his dynasty Yet in spite of the intensive precautions taken there were multiple attempts on his life Like all emperors Augustus had a number of competing constituencies the senate the army his extended family the provincials and the populace of Rome but were they all equally threatening Indeed the biggest threat would come from those closest to the emperor his family and the aristocracy Even Roman imperial women were deeply involved in instigating regime change By the fourth emperor Caligula the Praetorian Guards were already participating in assassinations and the army too was becoming more politicized Sheldon weighs the accuracy of ancient sources Does the image of the emperor presented to us represent reality or what the people who killed him wanted us to think Were Caligula and Nero really crazy or did senatorial historians portray them that way to justify their murder Was Claudius really the fool found drooling behind a curtain and made emperor or was he in on the plot from the beginning These and other fascinating questions are answered as Sheldon concludes that the repeated problem of killing Caesar reflected the empire's larger dynamics and turmoil

*Back Channels*, 1991 **Drum**, 2001 **Sneakin' Deacon** Greg Gitschier, Bryant Stamford, 2018-12 Cop Secret Service agent private consultant and bodyguard Greg Gitschier has led an exciting life He's protected presidents and royalty tracked down international criminals and cracked tough cases

An assignment to protect Pope John Paul II forever changed Greg's life leading him down a path toward sacred service. He now serves as a deacon in the Catholic Church, a police chaplain, and Secret Service chaplain. Sneakin Deacon shares the raw, the routine, the gritty, and the grand moments of a life in both Secret Service and sacred service. In Greg Gitschier's 11 years as a cop, he worked undercover, caught bad guys, and joined car chases and shootouts. But the excitement ratcheted up when Gitschier launched his 20-year career with the Secret Service. He broke up international counterfeiting rings, arrested a notorious diamond thief, survived heart-pounding moments in the Middle East and Africa, and protected presidents, royalty, and celebrities. Gitschier's assignment to protect Pope John Paul II during the pontiff's 1999 visit to the United States forever changed his life. Gitschier stepped up his involvement in his church and eventually became a Catholic deacon, a police chaplain, and a chaplain for the US Secret Service. He continues to work as a private security consultant and bodyguard for high-profile clients. Sneakin Deacon shares the raw, the routine, the gritty, and the grand moments of a life in both Secret Service and sacred service.

**Protecting the President** Dennis V. N. McCarthy, Philip Wayne Smith, 1985 Describes the rigorous training designed to eradicate an agent's intolerable stress of the job, the grueling hours, and more.

**To Be a U.S. Secret Service Agent** Henry M. Holden, 2006-05-15 A look inside the renowned law enforcement agency, its history, its recruiting and training process, and tips for those seeking a Secret Service career. The Secret Service was established after the Civil War by the Treasury Department originally to protect American currency against counterfeiters. It was only after the assassination of President William McKinley in 1901 that Congress directed the Secret Service to protect the President of the United States. Today, protection remains the primary mission of the United States Secret Service. It takes a special type of individual to be a U.S. Secret Service agent: one willing to take a bullet to preserve the ideals on which the United States was founded. To Be a U.S. Secret Service Agent lifts the curtain for a look inside this law enforcement agency, including the highly selective recruiting, the intense training, and the specialized weapons and equipment used to protect current and past presidents, vice presidents, their families, and visiting heads of state. Includes photos.

Secrets of the Secret Service Gary J. Byrne, Grant M. Schmidt, 2018-01-02 From the author of the #1 New York Times bestseller *Crisis of Character* comes an explosive exposé of the Secret Service. The United States Secret Service is tasked with protecting our Presidents, their families, and the complex in which they live and work. Given this important mission, world stability rests upon the shoulders of its agents. In this book, former Secret Service officer Gary Byrne takes readers behind the scenes to understand the agency's history and today's security failings that he believes put Americans at risk. The American public knows the stories of Secret Service heroism, but they don't know about the hidden legacy of problems that have plagued the agency ever since its creation. Byrne says that decades of catastrophic public failures, near misses, and bureaucratic and cultural rot threaten to erode this critical organization from the inside out. Today, as it works to protect President Trump, the Secret Service stands at a crossroads, and the time needed to choose the right course is running out. Agents and officers are leaving the Secret Service.

in droves or they're being overworked to the point where they lose focus on the job. Management makes decisions based on politics, not the welfare of their employees. Byrne believes that this means danger for the men and women of the Secret Service, danger for the President they protect, and danger for the nation. In *Secrets of the Secret Service*, he shares what he has witnessed and learned about the agency with the hope that its problems can be fixed before it's too late. *Standing Next to History* Joseph Petro, 2005     *History of the United States Secret Service* La Fayette Curry Baker, 1867 Contains a personal narrative of L. C. Baker, an investigator and head of the National Detective Bureau, a forerunner of the U.S. Secret Service for the United States during the U.S. Civil War     **The Story of Secret Service** Richard Wilmer Rowan, 1937     *I Am a Secret Service Agent* Dan Emmett, Charles Maynard, 2017-06-06 Dan Emmett was just eight years old when President John F. Kennedy was assassinated. The events surrounding the President's death shaped the course of young Emmett's life as he set a goal of becoming a U.S. Secret Service agent, one of a special group of people willing to trade their lives for that of the President if necessary. *I Am a Secret Service Agent* is the essential book on the Secret Service with stories from some of the author's more high-profile assignments in his twenty-one years of service where he provided protection worldwide for Presidents George Herbert Walker Bush, William Jefferson Clinton, and George W. Bush. Dan Emmett describes the professional challenges faced by Secret Service agents as well as the physical and emotional toll that can be inflicted on both agents and their families. *I Am a Secret Service Agent* also shares firsthand details about the duties and challenges of conducting presidential advances, dealing with the media, driving the President in a bullet-proof limousine running alongside him through the streets of Washington, and flying with him on Air Force One. With fascinating anecdotes, Emmett weaves keen insight into the unique culture and history of the Secret Service with the inner workings of the White House.     **Within Arm's Length** Dan Emmett, 2014-06-10 A very moving inside look at the Secret Service from an agent for George H. W. Bush, Bill Clinton, and George W. Bush. Jake Tapper, CNN correspondent and New York Times bestselling author of *The Outpost*. Dan Emmett was just eight years old when President John F. Kennedy was assassinated, an event that shaped the course of young Emmett's life as he set a goal of becoming a U.S. Secret Service agent. *Within Arm's Length* is a revealing inside look at the Secret Service and the elite Presidential Protective Division (PPD). With stories from some of the author's more high-profile assignments in his twenty-one years of service, Dan Emmett describes the professional, physical, and emotional challenges faced by Secret Service agents. Included are never-before-discussed topics such as the complicated relationship between presidents' first ladies and their agents, the inner workings of Secret Service protective operations, as well as the seldom-mentioned challenges of the complex Secret Service cultural issues faced by an agent's family. *Within Arm's Length* also shares firsthand details about conducting presidential advances, dealing with the media, driving the President in a bullet-proof limousine running alongside him through the streets of Washington, and flying with him on Air Force One. An essential book on the United States Secret Service, *Within Arm's Length* gives the reader an unprecedented look into the life and career of an

agent in America's most elite law enforcement agency A must read for anyone anticipating a job in government security services or police administration Abraham Bolden first African American Secret Service agent assigned to the PPD Fascinating Shannon Bream FOX News Succeeds in making vivid the life and culture of the anonymous men and women clustered around the president Library Journal

### **Bodyguards From Gladitors To The Secret Service Introduction**

In today's digital age, the availability of Bodyguards From Gladitors To The Secret Service books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Bodyguards From Gladitors To The Secret Service books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Bodyguards From Gladitors To The Secret Service books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Bodyguards From Gladitors To The Secret Service versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Bodyguards From Gladitors To The Secret Service books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Bodyguards From Gladitors To The Secret Service books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Bodyguards From Gladitors To The Secret Service books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Bodyguards From Gladitors To The Secret Service books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Bodyguards From Gladitors To The Secret Service books and manuals for download and embark on your journey of knowledge?
