No Bugs in Heaven Brian Ellis,2022-05-04 Caskets should only come in one size This was Jim s observation on the worst day of his life Or was it Jim was a typical father both loving and involved But on this day Jim s Tradition charms on a bracelet caused him to doubt how he fathered the most wonderful seven year old girl Zoe Jim traded this doubt for his sense of peace and nothing he was doing helped He needed help and the Journey along with Zoe and the mysterious Abe was there to do just that With a sense of wonder Jim was carried through a series of places and events Each setting was more spectacular than the last and each place was set up to teach and make Jim understand reality Jim s search for peace could only be found through turmoil and hard work And with each setting came a charm a charm that was made by his own hard work and example of a father In the end he would find peace right where he left it right in the middle of the truth Jim was a great father and all of heaven was there to teach All Jim needed to do was let go and listen All he needed to do was seek and find The Journey was real and Jim s Tradition didn t stand a chance Catalogue of Title-entries of Books and Other Articles
