**100 to 1 in the Stock Market** Thomas William Phelps, 2021-08-01 In 100 to 1 in the Stock Market Thomas Phelps discloses the secrets and strategies to increasing your wealth one hundredfold through buy and hold investing. Unlike the short term trading trends that are popular today, Phelps's highly logical yet radical approach focuses on identifying compounding machines in public markets buying their stocks and holding these investments long term for at least ten years. In this indispensable guide Phelps analyzes what made the big companies of his day so profitable for the diligent long term investor. You will learn how to identify and invest in profitable business models without visible growth ceilings that will quickly increase your earnings. Worth its weight in gold and then some 100 to 1 in the Stock Market illuminates the way to the path of long term wealth for you and your heirs. With this classic yet highly relevant approach you will pick companies wisely and watch your investments soar. Thomas William Phelps (1902-1992) spent over 40 years in the investing world working as a private investor, columnist, analyst, and financial advisor. His illustrious investing career began just before the stock market crash in 1929 and lasted into the 1970s. In 1927 he began his career with The Wall Street Journal where he was a reporter, news editor, and chief. Beginning in 1936 he edited Barron's National Financial Weekly. From 1949 to 1960 he served as an assistant to the chairman and manager of the economics department at Socony Mobil Oil. Following this venture he was a partner in the investment firm of Scudder Stevens Clark until his retirement in 1970. One of the five greatest investment books you've never heard of is *The Daily Reckoning*. Of all the books on investing that I've read over the years 100 to 1 in the stock market one was at once the most pleasurable and most challenging to my own beliefs. Value Walk (ValueWalk.com) For years we handed out copies of Mr. Phelps' book as bonuses. Timothy Lutts' Cabot Investing Advice is one of the largest investment advisories and newsletters in the country since 1970.

Your Brand, The Next Media Company Michael Brito, 2013-09-19 Content is still king and if you're a brand marketer you need to start thinking like a media company too. Your Brand The Next Media Company brings together the strategic insights, operational frameworks and practical approaches for transforming your brand into a highly successful media company. There is a content and media surplus in the marketplace and there is an attention deficit in the minds of consumers today. Their lives are dynamic and completely unpredictable. They are highly influential and aid their peers down the purchase funnel using organic conversations about the products they care about and the ones they don't. In order to reach these consumers, brands must create recent, relevant and game changing content to break through the clutter and successfully change their behavior. Social business pioneer Michael Brito covers every step of the process including: Understanding the unpredictable nature and dynamic behaviors of the social customer; Deploying social business strategies that will help facilitate the change from brand to media company; Building a content organization and setting the stage for transformation; Creating a real time command center that will help facilitate reactive and proactive content marketing; Creating a centralized editorial team that will drive content strategy governance.

and cross team collaboration Building the content supply chain workflows for content ideation creation approval distribution and integration Enabling customers and employees brand journalists to feed the content engine Developing your content strategy that can be executed across paid earned and owned media content Transitioning from brand messaging to a highly relevant content narrative Evaluating the content marketing vendors and software platforms vying for your business Along the way Brito presents multiple case studies from brand leaders worldwide including RedBull Oreo Tesla Motors Burberry Sharpie and Pepsi delivering specific actionable powerfully relevant insights you can act on to begin the transformation from brand to media company
