

# American Government Midterm Study Guide

Chapters 1-6

## Chapter 1: What is Government?

- Government- the means by which a society organizes itself and how it allocates authority to complete societal goals
- Politics- process of gaining and exercising control within a government to achieve societal goals
- John Locke says "all people have the natural rights to life liberty and property"
- Adam Smith says "people should be able to acquire property and operate however they wish"
- Democracy- political system where people govern themselves, capitalism and individualism
- Socialism- the means of generating wealth are owned by the government and wealth is redistributed to citizen through social programs
- Oligarchy- only members of a certain political party or ruling elite can participate in government
- Egalitarianism- equal treatment for all and destruction of socioeconomic inequalities
- Authoritarian- governments give ultimate power to the state rather than the people
- Representative democracy- the people elect representatives to make decisions to pass laws on behalf of the people
- Direct democracy- people participate directly in making government decisions
- Monarchy- one ruler holds power
- Authoritarianism + Socialism = Totalitarianism
- Elite theory- a set of elite citizens is in charge of the government and no others have influence
- Pluralist theory- political power rests with competing interest groups who share influence in government
