*Aging* Harry R. Moody, Jennifer R. Sasser, 2014-03-10 Presenting current research in an innovative format Harry Moody and Jennifer Sasser's *Aging Concepts and Controversies* encourages students to become involved and take an informed stand on the major aging issues that we face as a society Using their extensive expertise the authors provide a thorough explanation of the issues in the Concepts sections and current research in the Controversy sections demonstrating the close links between concepts and controversies in these broad areas of aging health care socioeconomic trends and the life course

**Aging** Harry R. Moody, Jennifer R. Sasser, 2017-01-12 Presenting current research in an innovative text reader format *Aging Concepts and Controversies* Ninth Edition encourages students to become involved and take an informed stand on the major aging issues we face as a society Not simply a summary of research literature Harry R Moody and Jennifer R Sasser's text focuses on controversies and questions rather than on assimilating facts or arriving at a single correct view about aging and older people Drawing on their extensive expertise the authors first provide an overview of aging in three domains aging over the life course health care and the socioeconomic aspects of aging Each section is followed by a series of edited readings offering different perspectives from experts and specialists on that subject New readings focus on whether current federal spending on the elderly is sustainable and fair to other groups how older consumers are reshaping the business landscape and the challenges of marketing and selling to customers 60 and over More emphasis is placed on how social class and inequality earlier in life can shape our final years and the number of older Americans living in poverty The section on Aging and Health Care has been thoroughly updated to reflect the latest data about chronic diseases that affect the elderly government spending on health care and policy changes to programs like Medicaid and Medicare The section on the Social and Economic Outlook for an Aging Society gives the most current picture of the racial and ethnic diversity of older Americans their participation in the labor force and their income and wealth *Aging* Harry R. Moody, 2006-01-13 Welcome to the world's most unique and dynamic textbook on aging Widely praised and adopted in previous editions the Fifth Edition of *Aging* once again presents key issues in an engaging and accessible fashion Organized unlike any other traditional textbook author Harry R Moody presents basic concepts followed by controversies supported by carefully chosen adapted readings The result is the most captivating introduction to gerontology available today [Studyguide for Aging](#) Cram101 Textbook Reviews, 2013-05 Never HIGHLIGHT a Book Again Virtually all testable terms concepts persons places and events are included Cram101 Textbook Outlines gives all of the outlines highlights notes for your textbook with optional online practice tests Only Cram101 Outlines are Textbook Specific Cram101 is NOT the Textbook Accompanys 9780521673761
