DISCLAIMER

This document has been created for recreational purposes only. Do not use for training or real life flying.

The author of this document has never had access to restricted or classified documentation on the AH-64D. The author has never had access to OEM (Original Equipment Manufacturer) data related to the AH-64D, its armament systems nor its defensive systems. All the information within this document is taken from public documentation (i.e. AH-64D Early Access Manual by Eagle Dynamics) and non-official tutorials (player-made videos on Youtube).

The procedures listed in this document are deliberately simplified for gameplay purposes due to the limitations of the DCS World simulation environment and the limitations of the DCS AH-64D module by Eagle Dynamics.

This document is merely a free, personal project that is used for entertainment. This document is not meant nor designed to teach someone to fly a real AH-64.
