The Airbnb Story Leigh Gallagher, 2017-02-14 An engrossing story of audacious entrepreneurship and big industry disruption this is a tale for our times Charles Duhigg New York Times bestselling author of *The Power of Habit* An investigative look into a beloved disruptive notorious start up this is the remarkable behind the scenes story of the creation and growth of Airbnb the online lodging platform that is now the largest provider of accommodations in the world At first just the wacky idea of cofounders Brian Chesky Joe Gebbia and Nathan Blecharczyk Airbnb has become indispensable to millions of hosts and travelers around the globe Fortune editor Leigh Gallagher presents the first nuanced in depth look at the Airbnb phenomenon the successes and controversies alike and takes us behind the scenes as the company's young CEO steers into increasingly uncharted waters A fast paced fun dive into one of the seminal firms of our time through the tale of Airbnb Leigh Gallagher shows us how the sharing economy can be a force for emotional connection as well as for social and business disruption Rana Foroohar Financial Times columnist and CNN global economic analyst **Raw Deal** Steven Hill, 2015-10-20 A thought provoking exposé that shows why the tech leaders' vision and their Ayn Rand brand of libertarianism is a dead end for U.S. workers the middle class and the national economy **Hustle and Gig** Alexandra J. Ravenelle, 2019-03-12 Choose your hours choose your work be your own boss control your own income Welcome to the sharing economy a nebulous collection of online platforms and apps that promise to transcend capitalism Supporters argue that the gig economy will reverse economic inequality enhance worker rights and bring entrepreneurship to the masses But does it In *Hustle and Gig* Alexandra J. Ravenelle shares the personal stories of nearly eighty predominantly millennial workers from Airbnb Uber TaskRabbit and Kitchensurfing Their stories underline the volatility of working in the gig economy the autonomy these young workers expected has been usurped by the need to maintain algorithm approved acceptance and response rates The sharing economy upends generations of workplace protections such as worker safety workplace protections around discrimination and sexual harassment the right to unionize and the right to redress for injuries Discerning three types of gig economy workers Success Stories who have used the gig economy to create the life they want Strugglers who can't make ends meet and Strivers who have stable jobs and use the sharing economy for extra cash Ravenelle examines the costs benefits and societal impact of this new economic movement Poignant and evocative *Hustle and Gig* exposes how the gig economy is the millennial's version of minimum wage precarious work When You Read This Mary Adkins, 2019-02-05 Warm original funny and heartbreaking this novel made me drop everything so I could read it in one lovely afternoon *When You Read This* is inventive and witty but more importantly it's honest and wise I adored it Jennifer Close author of *Girls in White Dresses* and *The Hopefuls* For fans of Maria Semple and Rainbow Rowell a comedy drama for the digital age an epistolary debut novel about the ties that bind and break our hearts For four years Iris Massey worked side by side with PR maven Smith Simonyi helping clients perfect their brands But Iris has died taken by terminal illness at only thirty three Adrift without his friend

The Upper West Side Robert Miles Parker, 1988 **Upper West Side Story** Peter Salwen, 1989 As any resident restaurateur or realtor will tell you New York's Upper West Side that swath of Manhattan between Central Park and the Hudson River from roughly Columbus Circle to Columbia University is the place for fashionable dining dwelling and dressing up But the Young Urban Professionals now discovering the area and many oldtimers too might be surprised to learn that other colonists had preceded them by two or three hundred years Dutch farmers and English gentry with names like Theunis Idens van Huys Hendrick Hendrickon Bosch Charles Ward Apthorpe and Oliver De Lancey The names of many later residents are more familiar Edgar Allan Poe William Tecumseh Sherman Lillian Russell Diamond Jim Brady Florenz Ziegfeld Arturo Toscanini Fanny Brice William Randolph Hearst Theodore Dreiser Lewis Mumford Humphrey Bogart he was a child there Lauren Bacall so was she Gertrude Stein Mae West Leonard Bernstein John Lennon Quite a neighborhood And Peter Salwen's *Upper West Side Story* is quite a book an engaging often hilarious history of this fabulous city within a city It is a treasury of colorful biographies of farmers tycoons thieves and artists It is an architectural grand tour of the Dakota the Ansonia Lincoln Center and the romantic residential skyscrapers of Central Park West It is a compendium of Manhattan lore and delightful as well as occasionally horrifying trivia enough to turn even a casual browser into the Compleat Upper West Sider The story of this dynamic neighborhood begins with the colonial period when merchant princes commanded royal views of the Hudson until the approach of Washington's troops drove them from their mansions and continues through the bucolic nineteenth century when the Bloomingdale Lunatic Asylum at 116th and Broadway site of today's Columbia University was the Upper West Side's prime tourist attraction By the turn of the twentieth century the fashionable West End as the neighborhood was then known boasted extravagant mansions and private homes grand parks and equestrian boulevards and its own unique theatrical and night life Author Peter Salwen chronicles those high living years and the half century of inexorable decline that followed with its poverty and often sensational crime and brings us up to date with a lively account of the 1980s galloping renaissance This book is living history an unfinished story generously illustrated with vintage engravings and photos of the buildings and people great and humble those still with us and those that are no more Also included are

special walking tours to suit all levels of ambition and energy and a who's who of famous and infamous residents and where they lived **Dust jacket** **The Upper West Side** Michael V. Susi, 2009 Short-term Rentals and the Housing Market Hans Koster, Jos van Ommeren, Nicolas Volkhausen, 2018 Online short term housing rental platforms such as Airbnb have grown spectacularly in recent years We focus on Santa Monica surrounded by the City of Los Angeles which has severely restricted short term rentals of entire homes and apartments We apply a panel regression discontinuity design around Santa Monica's border Its 2015 Home Sharing Ordinance HSO reduced listings by 70% and prices of single family homes by 5.5% with stronger effects in locations attractive to tourists We do not find that the HSO affected prices of apartments which points to the presence of substantial negative external effects of short term rentals within apartment buildings These results explain why particularly cities with a high share of renters and apartments tend to oppose Airbnb *Apartment 201* Henry Alton, 2024-01-20 Think about what it's like to share your apartment with dozens of people from around the world Exciting Eh Fun Maybe at times Would there be a story to tell Definitely Years ago after my lease expired at my Upper East Studio I found myself living with a friend and co worker in his Greenwich Village apartment in Manhattan Over the course of a year and a half people from all over the world kept us company as we rented out the spare bedroom of the apartment while I simultaneously worked to find myself as an actor and in real estate in the city Despite all the commotion this is a tale of loneliness and exhaustion but also one of pride and development Under the constant barrage of disorder from my roommate who would pop into the apartment at any time the misadventures were memorable Just City Jennifer Baum, 2024-04-02 WINNER 2025 ASSOCIATION OF UNIVERSITY PRESSES BOOK JACKET AND JOURNAL SHOW IN THE JACKETS it unveils the emotional tapestry of housing for an entire generation As you immerse yourself in the stories of rallies grassroots efforts and the sense of kinship that defined this era you'll witness a generation that stood united for justice and fairness The book captures not just moments but the ethos of a time when the city was a testament to the power of community Celebrate the legacy of an era when a city was truly a home when principles of social responsibility thrived Just City isn't just a memoir it's an invitation to revive the spirit of unity and create a city where everyone belongs So open its pages and let its words rekindle the flame of a just and inclusive city once more **The Upper West Side** Urbec Associates, Inc, 1969 West Side Story Maria Karres, 1987 *Image and Reality in Patterns of Change on Manhattan's Upper West Side* Emily Goldblatt, 1969 **Airbnb and Rents** Tomaso Duso, Claus Michelsen, Maximilian Schaefer, Kevin Duchao Tran, 2020 Cities worldwide have regulated peer to peer short term rental platforms claiming that those platforms remove apartments from the long term housing market causing an increase in rents Establishing and quantifying such a causal link is however challenging We investigate two policy changes in Berlin to first assess how effective they were in regulating Airbnb the largest online peer to peer short term rental platform We document that the policy changes reduced the number of entire homes listed on Airbnb substantially by eight to ten listings per square kilometer In particular the introduction of limitations

on the misuse of regular rental apartments as short term accommodations also strongly reduced the average number of days per year that Airbnb listings are available for booking In a second step we then use this policy induced change in Airbnb supply to assess the impact of Airbnb on rents in the city Our results suggest that each nearby apartment on Airbnb increases average monthly rents by at least seven cents per square meter This effect is larger for Airbnb listings that are available for rent for a larger part of the year Further analyses suggest some effect heterogeneity across the city In particular areas with lower Airbnb density tend to be affected more by additional Airbnb listings

Housing the Metropolis Johnathan T. Sandler,1998 **Madison at Upper West Side** Colliers International,2014 **Market Shifts in the Sharing Economy** Hui Li,2020 This paper examines the impact of Airbnb on the local rental housing market Airbnb provides landlords an alternative opportunity to rent to short term tourists potentially causing some landlords to switch from long term rentals thereby affecting rental housing supply and affordability Despite recent government regulations to address this concern it remains unclear whether and what types of properties are switching Combining Airbnb and American Housing Survey data we estimate a structural model of property owners decisions and conduct counterfactual analyses to evaluate various regulations We find that Airbnb mildly cannibalizes long term rental supply Cities where Airbnb is more popular experience a larger reduction in rental supply however these cities do not necessarily have a larger percentage of switchers Interestingly we find that affordable units are the major sources of both the negative and positive impacts of Airbnb as they see a larger rental supply reduction and a larger market expansion effect Although Airbnb harms local renters by reducing affordable rental supply it also serves as a valuable income source for local hosts with affordable units Policy makers need to trade off between local renters affordable housing concerns and local economically disadvantaged hosts income source needs The counterfactual results suggest that imposing a linear tax is more desirable than limiting the number of days a property can be listed We propose a new convex tax and show that it outperforms existing policies in terms of reducing cannibalization and alleviating social inequality Finally Airbnb and rent control can exacerbate each other s negative impacts [AirBnB Data](#) , *The Aphorp and the Belnord* Elsa Gilbertson,1981* *The Short List* ,2002-11 Trade paperback containing specially selected listings of over 600 businesses in A Z categories located on the Upper West Side of Manhattan Book includes other information related to life s essential daily operations and helpful product and services information
