The Absolute Indie Jo Robinson, 2015-12-10 The Absolute Indie is especially for the author who is publishing for the first time but also for already published Indies who have little or no budget to outsource all of the formatting and design parts of getting their books to readers This book covers formatting for Kindle and CreateSpace using Windows 7 as well as the tools you need to create your own covers There are many useful links to quality free resources to help new and cash strapped Indies get their books published with as little stress as possible as well as tips on how to be The Absolute Indie and do all that you need to do to be completely successfully independent This book contains black and white images Please take advantage of the free eBook that comes with it for the many links as well as full colour images **2015 Guide to Self-Publishing, Revised Edition** Robert Lee Brewer, 2014-10-07 The 2015 Guide to Self Publishing is the essential resource for writers who are taking their publishing futures into their own hands whether it s referred to as self publishing or indie publishing In addition to hundreds of listings for freelance editors designers self publishing companies and more the Guide to Self Publishing offers articles on how to create standout covers hire freelance designers break in to the gift market protect your work promote your work and more You also gain access to Lists of conferences organizations and book fairs and festivals A pay rate chart to help negotiate fair terms with any freelancers you might use Interviews with successful indie authors including Hugh Howey Bob Mayer Delilah Marville and more Includes access to a one hour webinar How to Format E books With Microsoft Word indie author Jason Matthews helps writers master e book formatting This webinar covers each section of your book s needs from the title and table of contents to inserting images and hyperlinks In just over an hour you ll be able to professionally format your e book and give readers something they ll enjoy *Step-by-Step Publishing Guides* Judy Penz Sheluk, 2024-01-19 Whether you re an aspiring author a traditionally published author considering a change or merely curious Step by Step Publishing Guides is a must have reference book covering everything from business basics and publishing platforms to post publication sales and marketing strategies This two volume box set includes the Award winning Finding YOUR Path to Publication and Self publishing The Ins Outs of Going Indie Inside you ll find an honest unbiased look at the pros and cons of five publishing paths traditional independent hybrid self publishing and social publishing as well as an in depth look at self publishing all while guiding you through the process one easy to understand step at a time *Write. Publish. Repeat. (The No-Luck-Required Guide to Self-Publishing Success)* Sean M Platt, Johnny B. Truant, David Wright, 2014-01-02 Are you ready to start making a full time living with your stories Self publishing isn t as hard as most authors make it Write Publish Repeat was written to save you from unnecessary struggle Yes there is a lot to learn and more competition than ever before but for those storytellers who are willing to do the work then set their efforts on repeat there s never been a better time to make a living as a writer Thousands of new books are published on Amazon every single day The vast majority will never sell more than a handful of copies This is devastating for hard working authors who care about their

craft and are doing all of the things they're supposed to do if they want to make it as a successful author. But it's confusing out there with too many things to learn and not enough time to learn them. Worse so much of the available advice comes from people who are in the business of selling advice. They're either parroting what others have said, are making guesses based on assumptions or anecdotal evidence, or are using their personal yet minimal experience with a successful book or perhaps even a few to articulate loose strategies that often have an absurdly short shelf life. This book is different. *Write Publish Repeat* was written by successful authors who have been in the indie game since the very beginning. In the last ten years we've gone from zero books to a few hundred with copies sold in the millions, film and television projects in the works, and hands on work with hundreds of writers like you. We've also made more mistakes than we can count. But we made them so you don't have to. This book explains how to create stories your readers will love and will want to return to again and again. It details expert methods for enhancing creativity, building worlds, characters, and plots, understanding your market right down to your ideal reader, using the best tools possible to capture your draft, and explains proven best practices for editing. It discusses covers, titles, formatting, pricing, and publishing to multiple platforms, plus a bit on getting your books into print and why that might not be a good idea. But most importantly, *Write Publish Repeat* details the psychology-driven marketing plan that Sean and Johnny built to shape their stories into products that readers couldn't help but be drawn into, thus almost automatically generating sales, and explores ways that smart business-minded writers can do the same to future-proof their careers. What Indie Authors and Thought Leaders Are Saying. Two of the best in the biz. A gem for aspiring authors. Hugh Howey. For my money, this is the best book on self-publishing out there. David Gaughran. It's tough to find more honest and straight-forward marketing advice than what you'll get from these indie authors. Jane Friedman, former publisher of *Writer's Digest*.

Finding Your Path to Publication Judy Penz Sheluk, 2023-05-02 WINNER 2024 KILLER NASHVILLE SILVER FALCHION AWARD BEST NONFICTION. The road to publishing is paved with good intentions and horror stories of authors who had to learn the hard way. For the emerging author, the publishing world can be overwhelming. You've written the book and you're ready to share it with the world, but don't know where to start. Traditional, independent press, hybrid, self-publishing, and online social platforms all are valid publishing paths. The question is which one is right for you. *Finding Your Path to Publication* is an introduction to an industry that remains a mystery to those on the outside. Learn how each publishing option works, what to expect from the process, start to finish, how to identify red flags, and avoid common pitfalls. With statistics, examples, and helpful resources compiled by an industry insider who's been down a few of these paths, this is your roadmap to decide which path you'd like to explore and where to begin your author journey. **Bestseller Book Launch Plan** Dale L. Roberts, 2025-03-01. You've finished your book, but how do you get readers? A smart launch makes all the difference. A great book isn't enough; you need a launch strategy that gets eyes on your book and sales rolling in. Whether you're a first-time author or a seasoned pro, launching your book the right way can boost visibility, drive sales, and build lasting success. This step

by step guide takes the guesswork out of launching a book helping you plan execute and optimize your release for maximum impact You ll discover Proven marketing strategies to make your book stand out How to build an ARC team that gets you real reader reviews The secret to using keywords and categories for visibility Strategies for leveraging ads social media and email lists How to create sustainable long term sales beyond launch day and much more You ll love this essential guide for authors because it s a book launch strategy that works Get it now **An Unexpected Parody** VALERIE ESTELLE.
