Guide to Exploding Your Sales Sean Hughes, 2021-09-12 Exploding Your Sales Advanced Pricing Strategies Goldmine Let me ask you a question The last time you launched your own product to sell online or even offline how did you come to a conclusion about what price you were going to be selling at At a guess I d probably say you looked at the competition to see what they were charging While this is a good start it s far from the whole picture and you re fumbling in the dark if you looking at competition is the only factor you re taking into account Did you know you can double your sales volume by doubling your price I ve done it myself and I ll show you how Did you also know that 99% of the products I see being sold are too cheap So much so that they re putting customers off instead of attracting them which is no doubt what they think they re doing Let s dispel some pricing myths and dig right down to the real facts to ensure you get the most cash in your pocket the next time you launch one of your products

The Strategy and Tactics of Pricing Thomas T. Nagle, Georg Müller, Evert Gruyaert, 2023-07-31 The Strategy and Tactics of Pricing is the most well established and influential strategic pricing text available relied on by practitioners and students globally as a core guide for value based pricing The book explains how to balance the ability to create and extract value through from markets by managing pricing decisions in a more strategic and

profitable manner Rather than calculating prices to cover costs or to achieve sales goals readers will learn to frame more strategic choices that proactively influence customer perceptions of value manage internal costs and profitably shift demand curves This edition features new discussions on harnessing concepts from behavioral economics as well as a refined value cascade to help organize the topics covered in this book Readers will also benefit from Major revisions to more than a third of the chapters including an expanded discussion of the role of artificial intelligence and machine learning analytics tools to assist in the evaluation of new pricing opportunities Discussion of many of the new pricing and revenue recognition models such as consumption based pricing outcomes based pricing and others An expanded discussion on Special Topics in Pricing that cover many of the transformative pricing moves successful companies have made in the past few years in response to major disruptive forces such as the pandemic as well as re emergent inflation In chapter textboxes and call out to highlight different pricing concepts in action using actual examples of companies addressing market challenges Chapter summaries and visual aids to help the reader better understand the ideas and concepts presented throughout this book This comprehensive managerially focused text is a must read for students and professionals with an interest in strategic price management and achieving commercial excellence for their organizations Additional online resources include PowerPoint slides and an instructor s manual including exercises mini cases and examination questions
