*Meaning-Focused Materials for Language Learning* Marina Bouckaert,Monique

Konings,Marjon van Winkelhof,2019-01-10 This publication is a result of the joint conference held by MATSDA and Fontys University of Applied Sciences the Netherlands in Tilburg in June 2017 MATSDA is an international materials development

association founded in 1993 which serves to bring together researchers teachers materials developers and publishers in an effort to improve the effectiveness of language learning materials The 2017 conference centred on issues related to the development of meaning focused materials for language learning and attracted presenters from twenty five countries stretching from Greenland to Brazil These issues are reflected in the chapters in this volume with each one focusing on a different aspect of meaning focused materials and many of them introducing the reader to previously unexplored facets of the theory of meaning focused instruction and its application to materials development The contributions here are of essential value to post graduate students to teachers to materials developers and to researchers They are written to be academically rigorous but at the same time accessible to newcomers to the field and to experienced experts alike

**Personality as a Factor Affecting the Use of Language Learning Strategies** Jakub Przybył,Mirosław Pawlak,2023-05-06

The book explores the relationships between the personality traits of Polish university students learning English as a foreign language and their use of language learning strategies LLS It provides a solid theoretical background for the investigation of the interface between the two constructs describes the applied analytical procedures in detail and reports the results and implications of a large scale study Chapter 1 presents multiple perspectives on the investigation of human personality and presents insights from a selection of studies into the role of personality in foreign language learning Chapter 2 addresses the construct of LLS while Chapter 3 links strategy use to other individual learner characteristics with a focus on personality Chapter 4 sets the methodological framework for the empirical investigation describes the rationale for conducting the study and includes a thorough description of analytical procedures Chapter 5 presents the results of the study and highlights their pedagogical implications Finally limitations of the study are presented and some directions for future research are suggested The monograph will be of interest to scholars investigating the role of personality in SLA as well as graduate and postgraduate students in applied linguistics
