

... "There is nothing more important than culture for maintaining a healthy society, although other approaches can be used as well, and there will have to be a balance of these approaches, as certain technologies definitely are needed."

Private institutions (e.g., *Silent*) "should be an independent branch of the public service,"

Silent is "an independent agency, privately funded, self-financed, and self-sustaining," which "cannot be controlled by government."

Genevieve: "The ultimate goal of the organization is to help people and their families stay healthy."

The organization is concerned with all forms of prevention and intervention, particularly for the health of populations.

Genevieve: "We have a program to monitor, evaluate, and improve public health. This is done using the best available evidence and best practices."

Genevieve: "Our approach is to take into account the community, environment, and individual needs, as well as regional needs."
