The American Pageant David M. Kennedy,Lizabeth Cohen,Thomas Andrew Bailey,2006 The American Pageant continues to enjoy a reputation as one of the most popular and effective textbooks in the field of American history The text s colorful anecdotes first person quotations and trademark wit bring American history to life Revisions have been guided by the inclusion of the histories of previously overlooked individuals or groups as well as the belief that the main drama of American history resides in the public arena where these and other peoples have both cooperated and contended with one another The Thirteenth Edition places greater emphasis on the global context for American history and provides expanded coverage of cultural innovation and intellectual ideas Additionally the new edition retains the pedagogical features that make The American Pageant accessible for students part openers and chapter ending chronologies provide a context for the major periods in American history while other features present primary sources scholarly debates and key historical figures for analysis Publisher **The American Pageant** Thomas Andrew Bailey,David M. Kennedy,1996-01-01 **The American Pageant** David M. Kennedy,Lizabeth Cohen,Thomas A. Bailey,2005-02-16 **Zombie History** Peter Charles Hoffer,2020-01-02 Fake history is not a harmless mistake of fact or interpretation It is a mistake that conceals prejudice a mistake that discriminates against certain kinds of people a mistake held despite a preponderance of evidence a mistake that harms us Fake history is like the Zombies we see in mass media for the fake fact like the fictional Zombie lives by turning real events and people into monstrous perversions of fact and interpretation Its pervasiveness reveals that prejudice remains its chief appeal to those who believe it Its effect is insidious because we cannot or will not

destroy those mischievous lies Zombie history is almost impossible to kill Some Zombie history was and is political a genre of what Hannah Arendt called organizational lying about the past Its makers designed the Zombie to create a basis in the false past for particular discriminatory policies Other history Zombies are cultural They encapsulate and empower prejudice and stereotyping Still other popular history Zombies do not look disfigured but like Zombies walk among us without our realizing how devastating their impact can be Zombie History argues that whatever their purpose whatever the venue in which they appear history Zombies undermine the very foundations of disinterested study of the past **American Pageant**
