The Rage Julia Ebner, 2017-09-30 The early twenty first century has been defined by a rise in Islamist radicalisation and a concurrent rise in far right extremism This book explores the interaction between the new far right and Islamist extremists and considers the consequences for the global terror threat Julia Ebner argues that far right and Islamist extremist narratives The West is at war with Islam and Muslims are at war with the West complement each other perfectly making the two extremes rhetorical allies and building a spiralling torrent of hatred The Rage By looking at extremist movements both online and offline she shows how far right and Islamist extremists have succeeded in penetrating each other's echo chambers as a result of their mutually useful messages Based on first hand interviews this book introduces readers to the world of reciprocal radicalisation and the hotbeds of extremism that have developed with potentially disastrous consequences in the UK Europe and the US

*Hymns for the Fallen* Todd Decker, 2017-02-28 In *Hymns for the Fallen* Todd Decker listens closely to forty years of Hollywood combat films produced after Vietnam Ever a noisy genre post Vietnam war films have deployed music and sound to place the audience in the midst of battle and to provoke reflection on the experience of combat Considering landmark movies such as *Apocalypse Now* *Saving Private Ryan* *The Thin Red Line* *Black Hawk Down* *The Hurt Locker* and *American Sniper* as well as lesser known films Decker shows how the domain of sound an experientially rich and culturally resonant aspect of cinema not only invokes the realities of war but also shapes the American audience's engagement with soldiers and veterans as flesh and blood representatives of the nation *Hymns for the Fallen* explores all three elements of film sound dialogue sound effects music and considers how expressive and formal choices in the soundtrack have turned the serious war film into a patriotic ritual enacted in the commercial space of the cinema

Through the Crosshairs Roger Stahl, 2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper's gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions Through the *Crosshairs* traces the genealogy of this weapon's eye view across a wide range of genres including news reports military public relations images action movies video games and social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence

**The Palgrave Handbook of Violence in Film and Media** Steve Choe, 2022-11-09 The chapters contained in this handbook address key issues concerning the aesthetics ethics and politics of violence in film and media In addition to providing analyses of representations of violence they also critically discuss the phenomenology of the spectator images of atrocity in international cinema affect and documentary violent video games digital infrastructures cruelty in art cinema and

media and state violence among many other relevant topics The Palgrave Handbook of Violence in Film and Media updates existing studies dealing with media and violence while vastly expanding the scope of the field Representations of violence in film and media are ubiquitous but remain relatively understudied Too often they are relegated to questions of morality taste or aesthetics while judgments about violence can themselves be subjected to moral judgment Some may question whether objectionable images are worthy of serious scholarly attention at all While investigating key examples the chapters in this handbook consider both popular and academic discourses to understand how representations of violence are interpreted and discussed They propose new approaches and raise novel questions for how we might critically think about this urgent issue within contemporary culture Video Source Book ,2008 God and Country: A True Story of My Journey through Indoctrination, Violence, and Jihad Will Prentiss,2019-01-16 Will Prentiss grew up in a broken home struggling for guidance as a teenager he moved in with his mother who was part of an Christian group But he was subjected to violent abuse until he fled in fear of his life Searching for meaning still seeking his grounding through faith he eventually found himself at a mosque and decided to become a Muslim He became a strong advocate of his new community married a Muslim woman and faced discrimination after the 9 11 terrorist attacks But when Muslim friends begin planning to go abroad to carry out jihad he started working with the FBI Although he felt compromised and conflicted he took pride in knowing that he was protecting his community and serving his country but that did not assuage the guilt he felt in betraying his community Focused on themes such as morality justice and what it means to be an American this account offers insights into a religion that is deeply misunderstood while sharing the true story of someone weighing the balance between faith and patriotism *Bowker's Complete Video Directory 2001* ,2001 *American Rifleman* ,1925 Halliwell's Filmgoer's and Video Viewer's Companion Leslie Halliwell,1993 The most popular authoritative and complete reference book on film for movie and video fans updated and revised to include the latest major films actors directors writers and everyone else of importance in the movie industry More comprehensive than any other film encyclopedia A knockout compilation Chicago Tribune 100 photographs *Newsweek* ,2007 **Variety's Complete Home Video Directory** ,1989 *The Video Source Book* ,1992 **American Machinist** ,1913 **Leonard Maltin's Movie and Video Guide 1994** Leonard Maltin,1993-10 In addition to the more than 19 000 movie entries 300 new listings Maltin has enlarged his indexes of leading performers and directors updated the list of mail order sources for buying and renting videocassettes and laser discs and has continued to include the latest movie code ratings Consumer rebate offer *Film & Video Finder* ,1989 *The American System of Criminal Justice* George F. Cole,Christopher E. Smith,2004 This classic best seller commonly referred to as The Eagle encourages students to become better citizens to determine what Justice means in our society and what role individuals play This text examines criminal justice as an interdisciplinary endeavor sharing elements from criminology sociology law history psychology and political science It challenges students to balance the mechanics and system of criminal justice with the human side of the

story Cole and Smith present an exciting and relevant introduction to the field of criminal justice The text combines solid research and intellectual rigor in an approachable manner with detailed attention to current and compelling events to help students appreciate the many aspects of the discipline and how they can participate in the system as citizens of the United States
