G Psacharopoulos

American Realism Flourished Between:

Slavery, Philosophy, and American Literature, 1830-1860 Maurice S. Lee, 2005-08-18 Examining the literature of slavery and race before the Civil War Maurice Lee in this 2005 book demonstrates how the slavery crisis became a crisis of philosophy that exposed the breakdown of national consensus and the limits of rational authority Poe Stowe Douglass Melville and Emerson were among the antebellum authors who tried and failed to find rational solutions to the slavery conflict Unable to mediate the slavery controversy as the nation moved toward war their writings form an uneasy transition between the confident rationalism of the American Enlightenment and the more skeptical thought of the pragmatists Lee draws on antebellum moral philosophy political theory and metaphysics bringing a different perspective to the literature of slavery one that synthesizes cultural studies and intellectual history to argue that romantic sentimental and black Atlantic writers all struggled with modernity when facing the slavery crisis

African American Literature Hans Ostrom, J. David Macey Jr., 2019-11-15 This essential volume provides an overview of and introduction to African American writers and literary periods from their beginnings through the 21st century This compact encyclopedia aimed at students selects the most important authors literary movements and key topics for them to know Entries cover the most influential and highly regarded African American writers including novelists playwrights poets and nonfiction writers The book covers key periods of African American literature such as the Harlem Renaissance the Black Arts Movement and the Civil Rights Era and touches on the influence of the vernacular including blues and hip hop The volume provides historical context for critical viewpoints including feminism social class and racial politics Entries are organized A to Z and provide biographies that focus on the contributions of key literary figures as well as overviews background information and definitions for key subjects

American Thought from Puritanism to Pragmatism Woodbridge Riley, 1915

A Companion to the American Short Story Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature

The Avant-garde

and American Postmodernity , An evaluation that tracks American culture s shift from modernism into postmodernism

Puccini's La fanciulla del West and American Musical Identity Kathryn Fenton,2019-08-30 On 10 December 1910

Giacomo Puccini s seventh opera La fanciulla del West had its premiere before a sold out audience at New York City s Metropolitan Opera House The performance was the Metropolitan Opera Company s first world premiere by any composer By all accounts the premiere was an unambiguous success and the event itself recognized as a major moment in New York cultural history The initial public opinion matched Puccini s own evaluation of his opera He called it the best he had ever written and expected it to become as popular as La Boh me Yet the music reviews tell a different story Marked by ambivalence the reviews expose the New York City critics struggle to reconcile the opera they expected to see with the one they actually saw and the opera itself became embroiled in controversy over the essence of musical Americanness and the nativist perception that a uniquely American national opera tradition continued to elude both American and foreign born opera composers This book seeks to account for the differences between Puccini s own assessments of the opera and those of its first audience Offering transcriptions of the central reviews and of letters unavailable elsewhere the book provides a historically informed understanding of La fanciulla del West and the reception of this European work as it intersected with both opera production and consumption in the United States and with the process of American musical identity formation during the very period that Americans actively sought to eradicate European cultural influences As such it offers a window into the development of nativism and cosmopolitan nationalism in New York City s musical life during the first decade of the twentieth century *The Greenwood Encyclopedia of African American Literature: O-T* Hans A. Ostrom,J. David Macey,2005

Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher **Latin American Art at The Museum of Modern Art** Miriam M. Basilio

Gaztambide,2025-06-13 This book sheds light on an as yet unstudied aspect of The Museum of Modern Art s MoMA preeminent role in establishing the definition of the problematic term Latin American art in the United States from the 1930s to the present through its collection displays In examining the shifting categorization of Latin American works according to stylistic and geographic taxonomies we gain a greater understanding of the organization of the Museum s collections as a whole during the 1940s and 1950s This book is the first to document these institutional precedents crucial for the

understanding of the articulation of a Modernist canon and its contested legacy today The MoMA is widely recognized as the preeminent institution that defined 20th century art through its collection shaping our understandings of the history of art with its hierarchies and exclusions as they sediment over time MoMA's holdings of art from Latin America shed light on a key period when the stylistic categories that have since come to be accepted by many today as the Modernist canon developed MoMA's collection displays suggest ways in which artists from areas of the world formerly excluded can be incorporated within today's increasingly global museums MoMA's approach may be compared to initiatives adopted by several museums since the 2000s creating geographically defined curatorial positions as a way to redress gaps in collecting art from Latin America and other areas of the world In this book author Miriam M Basilio Gaztambide offers a closer study of the history of collection displays as a means to understand canon formation in modern art museums This work will be of interest to those researching Latin American American modern and contemporary art and curatorial and museum studies *American Philosophy* Woodbridge Riley, 1907 **Challenging Boundaries** Joyce W. Warren, Margaret Dickie, 2012-03-15 What if the American literary canon were expanded to consistently represent women writers who do not always fit easily into genres and periods established on the basis of men's writings How would the study of American literature benefit from this long needed revision This timely collection of essays by fourteen women writers breaks new ground in American literary study Not content to rediscover and awkwardly fit female writers into the white male scheme of anthologies and college courses editors Margaret Dickie and Joyce W Warren question the current boundaries of literary periods advocating a revised literary canon The essays consider a wide range of American women writers including Mary Rowlandson Margaret Fuller Harriet Beecher Stowe Emily Dickinson Frances Harper Edith Wharton Gertrude Stein Amy Lowell and Adrienne Rich discussing how the present classification of these writers by periods affects our reading of their work Beyond the focus of feminist challenges to American literary periodization this volume also studies issues of a need for literary reforms considering differences in race ethnicity class and sexuality The essays are valuable and informative as individual critical studies of specific writers and their works *Challenging Boundaries* presents intelligent original well written and practical arguments in support of long awaited changes in American literary scholarship and is a milestone of feminist literary study *American Thought* Woodbridge Riley, 1915 *A History of European and American Sculpture from the Early Christian Period to the Present Day* Chandler Rathfon Post, 1921 **American Ecclesiastical Review**, 1901 *American Ecclesiastical Review* Herman Joseph Heuser, 1901 *Current Opinion*, 1903 **Current Literature**, 1903 *Current Opinion ...* Edward Jewitt Wheeler, Frank Crane, 1903 **The North American Review** Henry Cabot Lodge, Jared Sparks, Edward Everett, James Russell Lowell, 1917 Vols 277 230 no 2 include Stuff and nonsense v 5 6 no 8 Jan 1929 Aug 1930 *American Drawings and Watercolors in the Museum of Art, Carnegie Institute* Carnegie Institute. Museum of Art, 1985 The 2013 Carnegie International at Carnegie Museum of Art celebrates art as play experimentation and dissonance welcoming difference as an alternative to the

standardization of cultural production A major exhibition of new international art the survey also encompasses an experimental playground project a display and examination of the museum s permanent collection of postwar art and a pioneering engagement with the city of Pittsburgh putting the 2013 Carnegie International at the forefront of contemporary art and thinking Organized by the curatorial team of Daniel Baumann Dan Byers and Tina Kukielski the catalogue provides rich background and lavish illustrations on each of the exhibition s components including never before published pictures of projects and artworks with an expanded artist section that features original interviews and in depth texts on specific works by 35 artists from 19 countries in Asia North America South America Europe Africa and the Middle East Ei Arakawa Henning Bohl Phyllida Barlow Yael Bartana Sadie Benning Bidoun Library Nicole Eisenman Lara Favaretto Vincent Fecteau Rodney Graham Guo Fengyi Wade Guyton Rokni Haerizadeh He An Amar Kanwar Dinh Q L Mark Leckey Pierre Leguillon Sarah Lucas Tobias Madison Zanele Muholi Paulina Olowska Pedro Reyes Kamran Shirdel Gabriel Sierra Taryn Simon Frances Stark Joel Sternfeld Mladen Stilinovi Zoe Strauss Henry Taylor Tezuka Architects Transformazium Erika Verzutti and Joseph Yoakum
