## American Sniper Popcorn Time:

**The Awakened Way** Suzanne Giesemann, 2024-04-30 The Awakened Way combines deep spiritual wisdom and practical tools for living a consciously connected and divinely guided life helping readers go from an emptiness that can't be filled to a fullness that can't be contained. The Awakened Way is the soul's answer to your earthly challenges. This book invites you to live the awakened way a path that embraces ancient wisdom and integrates it with the latest scientific discoveries about the nature of consciousness and the underlying reality. Many self-help books focus on our human nature. They miss the point that we are both human and a soul. They fail to teach us to shift our focus and access the Source of solutions that is always available and will never steer us wrong. The Awakened Way is a higher self book that reorients your belief system and shows you how to approach life from the soul's perspective where the highest answers lie. A practical resource for many who are seeking a richer connection with lost loved ones and the spiritual realm in general. Eben Alexander M.D. former Harvard neurosurgeon and author of *Proof of Heaven*, *The Map of Heaven* and *Living in a Mindful Universe*.

## **Love's True Destiny**

P. L. Byers, 2016-01-21 Isabella Walsh was alone in the world. Working full time and attending the local college her life was difficult but happy. Until the night she witnessed a police officer execute her boss forcing her to leave the only place she called home in order to save her own life. Finally exhausted from months of running Isabella settles in a small town but soon realizes the men searching for her have found her once again. Gathering what strength she has left she fights back only to collapse in a wooded area cold exhausted and alone. Ethan Shay a former member of the army's elite Special Forces unit is happy with the quiet life he has chosen to lead. Finding a broken and bleeding unconscious woman was not something he anticipated but finding her in the woods and knowing that someone had badly beaten her brings out his natural instinct to protect. Shocked at her vehemence that he not call the police Ethan takes her home to give her time to recover. When she finally tells him her story it quickly becomes clear that it will take more than just his resources to help her. As they work together to uncover the mystery surrounding Isabella they learn that the political ramifications of what she witnessed were only the beginning of what was truly happening. To stay alive Isabella and Ethan will have to figure out how deeply her secrets go and whom if anyone they can trust. The decisions they make going forward could be costly including whether or not they should stay together and forge a relationship they both desperately want. It's only when the bullets start to fly that their true relationship is put to the test.
