**The Rediscovered Polity** Daniel Judah Elazar,1979      **A ^ATime for Peace** Robert D. Schulzinger,2006-08-15  
Prominent American historian Robert D Schulzinger sheds light on how deeply etched memories of the devastating conflict in Vietnam have altered America s political social and cultural landscape Schulzinger examines the impact of the war from many angles He ranges from the heated controversy over soldiers who were missing in action to the influx of over a million Vietnam refugees into the US to the many ways the war has continued to be fought in books and films and perhaps most important the power of the Vietnam War as a metaphor influencing foreign policy in places like Iraq      **Monthly Bulletin** San Francisco Public Library,1919      *The Software Encyclopedia 2000* Bowker Editorial Staff,2000-05      *Paperbound Book Guide for Colleges* ,1964      **The Journal of the National Education Association** National Education Association of the United States,1944      Power, Protest, and the Public Schools Melissa Weiner,2010-06-11 Accounts of Jewish immigrants usually describe the role of education in helping youngsters earn a higher social position than their parents Melissa F Weiner argues that New York City schools did not serve as pathways to mobility for Jewish or African American students Instead at different points in the city s history politicians and administrators erected similar racial barriers to social advancement by marginalizing and denying resources that other students enjoyed Power Protest and the Public Schools explores how activists particularly parents and children responded to inequality the short term effects of their involvement and the long term benefits that would spearhead future activism Weiner concludes by considering how today s Hispanic and Arab children face similar inequalities within public schools      **The Publishers Weekly** ,1945-03      **Americans' Search for "victory" in the Twentieth Century** Andrew Patrick Nicholas Erdmann,2000      **Journal of the National Education Association** ,1946      **Information Service** ,1944      **Information Service** National Council of the Churches of Christ in the United States of America.
