Americas Forgotten History Part 2 Rupture:

America's Forgotten History: Part Two - Rupture Mark David Ledbetter, 2005-11-23 Continuation of Part One Monroe to Lincoln each president a chapter The struggle between Jeffersonianism and Hamiltonianism continues but slavery warps the debate Westward expansion tariffs and free trade vs government business collusion The Great Awakening John Quincy Adams Marshall Clay and Lincoln Jackson and Van Buren And finally Puritans and Cavaliers dispute once again their deep cultural divide in another great and terrible civil war on a new continent CONTACT mark david ledbetter gmail com

President by Massacre Barbara Alice Mann, 2019-08-27 President by Massacre pulls back the curtain of expansionism revealing how Andrew Jackson William Henry Harrison and Zachary Taylor massacred Indians to open land to slavery and oligarchic fortunes President by Massacre examines the way in which presidential hopefuls through the first half of the nineteenth century parlayed militarily mounted land grabs into Indian hating political capital to attain the highest office in the United States The text zeroes in on three eras of U S expansionism as it led to the massacre of Indians to open land to African slavery while luring lower European classes into racism s promise to raise white above red and black This book inquires deeply into the existence of the affected Muskogee Creek Shawnee Sauk Meskwaki Fox and Seminole before and after invasion showing what it meant to them to have been so displaced and to have lost a large percentage of their members in the process It additionally addresses land seizures from these and the Tecumseh Tenskwatawa Black Hawk and Osceola tribes President by Massacre is written for undergraduate and graduate readers who are interested in the Native Americans of the Eastern Woodlands U S slavery and the settler politics of U S expansionism *The Secret Power of Juries* Gary Bauslaugh, 2013-09-18 Canadians know that the jurors at a trial decide the defendant s guilt or innocence according to the law of the land What they don t know is how far that right actually goes and what the real power of juries is Sometimes people even jurors wonder if a law or a judgment in a particular case is a just one When the law seems wrong we are told there is only one solution change the law In fact though in our legal system there is another remedy When jurors decide that to question the fairness of applying the law in the case they are deciding may lead to a manifestly unfair and unjust result they have the right not to apply that law However in Canada it is illegal and completely forbidden for a trial lawyer or even a judge to tell jurors they have this right to nullify the law In the Canadian justice system jurors can hand down a verdict of not guilty even if the facts pointing to guilt are clear even if the accused doesn t deny the facts even if the judge tells the jurors to find the accused guilty This centuries old safeguard which goes along with the principle of jury independence has protected people s rights and freedoms and helped sweep away laws that ordinary citizens think are outdated and unjust This power of juries is known to the legal community but is largely unknown by the general public until now Gary Bauslaugh author of Robert Latimer A Story of Justice and Mercy Lorimer 2010 learned the specifics of this matter as a result of his research around the Robert Latimer case In his new book written for non expert readers and citizens who have been

summoned for jury duty he tells the story of jury nullification from Quaker leader William Penn to the modern day acquittal of Henry Morgentaler who was charged with conducting abortions Bauslaugh then lays out the arguments that some people make against jury independence and nullification and makes his own argument in favour of these safeguards He offers suggestions for jurors who may find themselves in a situation where their consciences are at odds with the law *Great Debates in American History: Civil rights, part 2* Marion Mills Miller,1913 *Great Debates in American History: Civil rights, part 2; with an introduction by W. H.
