Among the Iranians Sofia A. Koutlaki, 2010-12-15 A sympathetic and evocative portrait of the Iranian people their habits customs and histories Essential reading Dr Stephanie Cronin Oriental Institute University of Oxford The eyes of the world are on Iran from nuclear issues to women s rights to Iran s perspective on Palestine Yet a strictly political view does not allow for an accurate or complete outlook on this important and fascinating country In *Among the Iranians* Greek born author Sofia A Koutlaki shares the lessons she s learned firsthand as a foreigner living in Tehran Through memorable anecdotes and in depth explanations of Iranian customs Koutlaki presents a side of Iran that foreigners rarely see The author s insight challenges readers to dispel their previous notions and judgements to see Iran at its heart warm inviting and rich with tradition *Among the Iranians* is also an indispensable practical guide offering insight about Iranian dress etiquette and even food

Culture and Customs of Iran Elton L. Daniel, Ali Akbar Mahdi, 2006-10-30 Iran is often a hotspot in the news and the Muslim state is usually negatively portrayed in the West *Culture and Customs of Iran* rejects facile stereotyping and presents the rich age old Persian culture that struggles with pressures of the modern world This is the first volume in English to reveal the important sociocultural facets of Iran today for a general audience in an objective fashion Authoritative substantive narrative chapters cover the gamut of topics from religion and religious thought to Iranian cuisine and festivals

Culture Smart! Iran Stuart Williams, 2016-07-05 Iran is rarely out of the headlines and there is likely to be a rush of interest from tourists and investors if the provisional framework agreement reached in April 2015 is implemented lifting most sanctions in exchange for limits on its nuclear program for at least ten years Western fascination with Iran is nothing new For centuries foreigners have been entranced by a country that is quite distinct from all others in the region Iran is home to one of the world s oldest civilizations Travelers have long been seduced by the echoes of the extraordinary ancient history contained in the word Persia But Iran is also a modern society that is experiencing great change Although it is still feeling the effects of the Islamic Revolution of 1979 social restrictions have loosened considerably in recent years Strict Islamic rules coexist with an increasingly dynamic society driven by an overwhelmingly young population Animosity toward the West at a political level sits side by side with a wholehearted welcome for foreigners as individuals *Culture Smart Iran* takes you beyond the clichés to show how life in Iran really is and how you can feel comfortable in its society It offers insights into a country full of surprises Despite Iran s deep commitment to Islam the pre Islamic Zoroastrian past is still part of everyday culture Its language Farsi shares linguistic roots with English and French It is a country where one of the more genuine democracies in the Middle East is overlaid by an unelected theocracy And where no thank you really does sometimes mean yes please If nothing else this entrancing beautiful and sometimes infuriating place is a country whose inhabitants genuinely wish visitors *Khosh amadi Welcome*
