Hyper-Grace Michael L. Brown, 2014-01-07 The great deception of the 21st century At a time when the church needs an urgent wake up call and a fresh encounter with Jesus the hyper grace message is lulling many to sleep Claiming to be a new revelation of grace this teaching is gaining in popularity but is it true Or is the glorious truth of grace being polluted by errors leading to backsliding compromise and even the abandonment of faith Hyper Grace looks at the major teachings put forth by many adherents of this grace reformation and prayerfully compares those teachings with the Word of God answering questions such as How do our sins affect our relationship with God What is the relevance of the Old Testament to our faith What does Jesus actually have to say about grace Without watering down the Bible s true message of grace Michael Brown gives you the facts demonstrating the dangers of this seductive message and showing you how to keep from being taken in

Authentic Fire Michael L. Brown, 2015 In response to Pastor John MacArthur s call for a collective war against charismatics Dr Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness of the Spirit As a charismatic biblical scholar and theologian Dr Brown responds to Pastor MacArthur s charges making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions theology and worship made by the charismatic Church worldwide He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics inviting readers to experience God afresh and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades Dr Brown speaks on behalf of millions who are not adequately trained to express in writing their own encounters with the supernatural power of God David Ravenhill I thank God for this biblically robust pastorally sensitive historically informed and graciously articulated account of the work of the Holy Spirit in the church of Jesus Christ Sam Storms Dr Michael Brown s Authentic Fire puts the brakes on John MacArthur s crusade against charismatics with irrefutable logic extraordinary insight Christ like graciousness and an undisputable handling of Scripture Frank Viola Michael Brown writes with clarity and courtesy as he confronts one of the most explosive issues among all those who uphold the Bible as the plumb line of truth David Shibley

A critical engagement with theological education in Africa Johannes J. Knoetze, Alfred R. Brunsdon, 2022-02-07 The higher education landscape has arguably become one of the most arduous to traverse More so in the African context where a host of variables continuously challenge educators to reflect critically on their philosophies and practices as they engage an ever changing audience In this book a critical engagement with theological education in Africa is offered As the book originates from South Africa it is presented as a South African perspective although contributors are situated accross the African continent and abroad The common denominator is that all contributors are in some way or another invested in theological education in Africa The main contribution of this collaborative work is to be sought in the insights it offers on four main areas of theological education A historical and current orientation on theological education in Africa some paradigm shifts in theological education in Africa ministerial formation needs versus theological education challenges and a critical reflection on elective models and methods The book presents the original and innovative research of scholars for fellow scholars involved in theological higher education as it is grounded in the respective fields of interest of each contributor It contributes to a better understanding of the complex African theological higher education landscape that is also mindful of post COVID 19 realities Methodologically the work draws on a combination of methods including literature studies empirical work and in some cases sectional offerings from doctoral studies as indicated in the various chapters

Yeqi-meka Lee Kah Wor,2025-05-23 As stated in Proverbs 25 2 New King James Version It is the glory of God to conceal a matter But the glory of kings is to search out a matter Every believer has been made a royal priesthood a king priest God has hidden the Good News of His beloved Son in human flesh as Jesus the Christ in the Old Testament It is our privilege and honor to search Him out It is written in Proverbs 4 20 22 New King James Version My son give attention to my words Incline your ear to my sayings Do not let them depart from your eyes Keep them in the midst of your heart For they are life to those who find them And health to all their flesh Jesus is the Word John 1 1 Amplified Bible When we find the Word Jesus in the Old Testament we get the immediate benefits of life and health to all our flesh This e Book unveils Jesus from the Hebrew word Yeqi meka which is just one of the numerous examples of God hiding His beloved Son in Old Testament scriptures

Repentance Lee Kah Wor,2025-06-19 The human race has been ingrained with an intrinsic and debilitating erroneous perception of God much to our own detriment This is evident from how we so quickly attribute natural disasters as acts of God Yet the Bible says that God is love and love does no harm 1 John 4 8 16 Romans 13 10 Ever since the first humans imbibed the knowledge of good and evil mankind began to think up silly ideas of what God is like and what He wants us to do To many God is even non existent Consequently our minds become dark and confused Romans 1 21 Living Bible To clear the smoke of all silly speculations about Him God sent His only beloved Son as Jesus the Christ to reveal and explain Him as our Father Who Himself tenderly loves us John 1 18 John 16 27 Amplified Bible The beloved Son of God as Jesus Christ and Him crucified is the definitive display and proof of God s gracious love for us Romans 5 8 From the moment we receive Jesus as Lord and Savior we embark on a life long journey of learning just how much God loves us Ephesians 3 17 19 Along the way Satan will try to derail us by submitting contradictory circumstances as evidence to doubt God s gracious love This is when the rubber meets the road The devil is relentless when it comes to stealing the word of God s love from our hearts and minds

There is a constant corruption of the loving image of God and hence the continual need for repentance
