Norako,2024-08-15 Monstrous Fantasies asks why medieval romances reimagining the crusades ending in a Christian victory circulated in England with such abundance after the 1291 Muslim reconquest of Acre the last of the Latin crusader states in the Holy Land and what these texts reveal about the cultural anxieties of late medieval England Leila K Norako highlights the impact that the Ottoman victory and subsequent massacre of Christian prisoners at the battle of Nicopolis in 1396 had on intensifying the popularity of what she calls recovery romance These two episodes inspired a sense of urgency over the fate of the Holy Land and of Latin Christendom itself resulting in the proliferation of romances in which crusading English kings like Richard I and anachronistic legends like King Arthur not only reconquered Jerusalem but committed genocidal violence against the

Muslims These romances which as Norako argues also influenced Geoffrey Chaucer's Canterbury Tales conjure fantasies of an ascendant global Christendom by rehearsing acts of conquest and cultural annihilation that were impossible to realize in the late Middle Ages Emphasizing the tension in these texts between nostalgia and anticipation that fuels their narrative momentum Monstrous Fantasies also explores how the cultural desires for European and Christian hegemony that recovery romances versified were revived in the wake of the so called wars on terror in the twenty first century in such films as Kingdom of Heaven and American Sniper

American Drama Since 1960 Matthew Charles Roudané, 1996 In the early 1960s two leaders of the New York performance group Living Theatre were asked to define its purpose In this survey of contemporary American drama Matthew C Roudane argues that the response of these two pioneers in experimental theater Julian Beck and Judith Malina goes a long way toward explaining the purpose of all of the rich and varied dramas to appear on the stage since 1960 To increase conscious awareness to stress the sacredness of life to break down the walls African American playwrights Lorraine Hansberry Alice Childress James Baldwin Amiri Baraka women playwrights Marsha Norman Wendy Wasserstein Beth Henley gay playwrights Harvey Fierstein Tony Kushner and others have over the past three and a half decades entreated audiences to acknowledge the persistence of racism sexism homophobia and a host of other societal ills Other playwrights have asked audiences to confront their own mortality Edward Albee their compromised morality David

Mamet their unfulfilled American Dream Arthur Miller Sam Shepard and countless others Whatever the particularities of these playwrights personal identities politics of dramatic style they share a willingness to confront uncomfortable truths about the human condition in America since 1960 Ironically it is in their very rebellion against any number of things American that they identify themselves and their literature as such Roudane takes no scattershot approach to his subject Favoring clusters of themes and the broad sweep of movements to linear chronology he develops a carefully aimed analysis of the work of about two dozen of the hundreds of playwrights whose dramas have since 1960 been performed in every venue from regional and university theaters to Off Off Broadway to Off Broadway to Broadway **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved **American Wife** Taya Kyle, Jim DeFelice, 2015-05-04 The widow of American Sniper Chris Kyle shares their private story an unforgettable testament to the power of love and faith in the face of war and unimaginable loss and a moving tribute to a man whose true heroism ran even deeper than the legend In early 2013 Taya Kyle and her husband Chris were the happiest they ever had been Their decade long marriage had survived years of war that took Chris a U S Navy SEAL away from Taya and their two children for agonizingly long stretches while he put his life on the line in many major battles of the Iraq War After struggling to readjust to life out of the military Chris had found new purpose in redirecting his lifelong dedication to service to supporting veterans and their families Their love had deepened and most special of all their family was whole finally Then the unthinkable On February 2 2013 Chris and his friend Chad Littlefield were killed while attempting to help a troubled vet The life Chris and Taya fought so hard to build together was shattered In an instant Taya became a single parent of two A widow A young woman facing the rest of her life without the man she loved Chris and Taya s remarkable story has captivated millions through Clint Eastwood s blockbuster Academy Award winning film American Sniper starring Bradley Cooper as Chris and Sienna Miller as Taya and because of Chris s bestselling memoir in which Taya contributed passages that formed the book s emotional core Now with trusted collaborator Jim DeFelice Taya writes in never before told detail about the hours days and months after his shocking death when grief threatened to overwhelm her Then there were wearying battles to protect her husband s legacy and reputation And yet throughout friendship family and a deepening faith were lifelines that sustained her and the kids when the sorrow became too much Two years after her husband s tragic death Taya has found renewed meaning and connection to Chris by advancing their shared mission of serving those who serve others particularly military and first responder families She and the children now are embracing a new future one that honors the past but also looks forward with hope gratitude and joy **American Wife** is one of the most remarkable memoirs of the year a universal chronicle of love and heartbreak service and sacrifice faith and purpose that will inspire every reader **The Films of Clint Eastwood** Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 American Sniper a particularly controversial film and a devastating

personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood s body of cinematic work As a collection these essays show that none of these themes account for Eastwood s entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives American sniper ,2015
