**American Space** John Brinckerhoff Jackson, 1972-01-01      *Mental Territories* Katherine G. Morrissey, 1997 Rarely recognized outside its boundaries today the Pacific Northwest region known at the turn of the century as the Inland Empire included portions of the states of Washington and Idaho as well as British Columbia Katherine G Morrissey traces the history of this self proclaimed region from its origins through its heyday In doing so she challenges the characterization of regions as fixed places defined by their geography economy and demographics Regions she argues are best understood as mental constructs internally defined through conflicts and debates among different groups of people seeking to control a particular area s identity and direction She tells the story of the Inland Empire as a complex narrative of competing perceptions and interests

**The Fatal Environment** Richard Slotkin, 2024-01-23 A two time National Book Award finalist s ambitious and provocative look at Custer s Last Stand capitalism and the rise of the cowboys and Indians legend The New York Review of Books In The Fatal Environment historian Richard Slotkin demonstrates how the myth of frontier expansion and subjugation of Native Americans helped justify the course of America s rise to wealth and power Using Custer s Last Stand as a metaphor for what Americans feared might happen if the frontier should be closed and the savage element be permitted to dominate the civilized Slotkin shows the emergence by 1890 of a mythos redefined to help Americans respond to the confusion and strife of industrialization and imperial expansion A clearly written challenging and provocative work that should prove enormously valuable to serious students of American history The New York Times An arresting hypothesis Henry Nash Smith American Historical Review

**Thomas Moran** Thurman Wilkins, 1998 This extensively revised edition of Thurman Wilkins s masterful and engaging biography well illustrated in color and black and white draws on new information and recent scholarship to place Thomas Moran more securely in the milieu of the Gilded Age It also portrays more fully the controversies that surrounded the art of Moran s time as he became the Dean of American Painters The American West was the subject of Thomas Moran s greatest artistic triumphs Yosemite the Grand Canyon of the Colorado Zion Canyon the Virgin River Colorado s Mountain of the Holy Cross and the Grand Tetons but his travels with Ferdinand V Hayden s geological surveys of the Upper Yellowstone were matched by trips to his native Britain and to Venice Florida the Spanish Southwest and Old Mexico These scenes inspired memorable landscapes and seascapes as did the sojourns of the Moran family in Pennsylvania New Jersey and East Hampton Long Island when they retreated from the demands of the New York art scene In the 1880s Moran and his artist wife Mary Nimmo Moran also threw themselves into the etching craze of the period creating some of the finest prints produced in the United States Moran was an artist happy in his work He wrote I have always held that the grandest most beautiful or wonderful in nature would in capable hands make the grandest most beautiful or wonderful pictures The New York Times said of the first edition of this unique account of his life Moran s mastery comes through clearly and awesomely and often pleasurably Readers will find the new edition equally enjoyable
