Forrest Osweill,2017-05-19 Excerpt from The American School Readers First Reader The american school first reader is  
planned as the children s second reading book It assumes that they can read the usual vocabulary of a good primer either of  
this series or of any other It is however closely related to the American School Primer The children and their pets whose  
acquaintance was made in that book appear again here with new experiences in the earlier pages But the keynote of the book  
is children s lore The characters of the primer appear less and less frequently and finally drop out altogether The latter part  
of the book contains children s literature only The authors believe that this literature is of so excellent a quality that it will  
intensify the interest of children in the reading book and hence in learning to read and will also implant the seeds of good  
literary taste Carefully organized lists of words for phonic drill are given on pages 135 137 About the Publisher Forgotten
