## Among The Living Psycop Book 1:

*Among the Living* Jordan Castillo Price, 2016-08 Victor Bayne the psychic half a PsyCop team is a gay medium who's more concerned with flying under the radar than in making waves. He hooks up with handsome Jacob Marks a non-psychic or Stiff from an adjacent precinct at his ex-partner's retirement party and it seems like his dubious luck has taken a turn for the better. But then a serial killer surfaces who can change his appearance to match any witness idea of the world's hottest guy.

Solving murders is a snap when you can ask the victims whodunit but this killer's not leaving any spirits behind. **Bitter Pill** Jordan Castillo Price, 2020-01-09 There's a new drug on the streets called Kick. The side effects are so brutal most folks only try it once unless they're psychic. Then they do it until it kills them. Psychic medium Victor Bayne is well acquainted with pharmaceuticals from the Auracel that blocks his ghosts to the Seconal that offers him a blissful night's sleep. But he's managed to steer clear of street drugs so far. Jacob Marks has a medicine cabinet filled with every over-the-counter remedy known to man but none of them are doing much for his mood and his long fruitless days of combing through records at The Clinic are taking a heavy toll. But their lackluster investigation does have one silver lining a front row seat at The Clinic when the first Kick overdose comes in. And as scary as the drug might be if it truly does augment psychic ability the appeal is not lost on Vic. Because the very first hit never killed anyone. Where did Kick come from? Why is it so addictive? And why is everyone at The Clinic acting so darn shady? That's what Vic intends to find out. And if he's lucky he can also expose a shadowy figure from Camp Hell. Unfortunately the demons of his pill addiction might prove just as deadly as his long-buried history. He thought he'd managed to ditch that pernicious habit. But what if it was only lurking in the shadows waiting for the best time to rear its ugly head? PsyCop is an ongoing series filled with supernatural action and delightfully awkward humor with a steady undercurrent of gay romance. It's best read in order so if you're new to the series start with PsyCop 1 *Among the Living* and prepare for a hauntingly good read.

*Murder House* Jordan Castillo Price, 2019-04-16 **Skeleton Crew**

Jordan Castillo Price, 2024-05-17 Although Victor Bayne is a valued asset of the FPMP he still vividly recalls his PsyCop days the eye rolls the nasty looks and the occasional utterance of the words Spook Squad whenever he showed up on a scene. So he really should empathize with Howard Jibben the weekend lab manager known as Heebie Jeebie. But does the guy really need to be so darn annoying? Thanks to the researcher's OCD tendencies when a mysterious shipment arrives what should be a routine ghost check turns into an excruciating ordeal made even worse by a freak incident that leaves them stranded in the FPMP's basement. Jacob may be the ranking agent on site but even he can't control the weather. Yet given the pressure he puts on himself to master his newfound ability it's as if he thinks the burden to free everyone is his alone. Vic has never put much stock in luck but the sheer number of disasters raining down on them can't possibly be pure chance and things are only getting worse. Is it a curse? Telekinesis Sabotage? Or is there something more sinister lurking in the shadows? PsyCop is an ongoing series filled with supernatural action and delightfully awkward humor with a steady undercurrent of gay romance. It
