The Secret Art of Pressure Point Fighting
Vince Morris,2008-05-28 From a ninth Dan Master a guide to disabling anyone using minimal force with 300 step by step photos showing each vital point and strike Ancient martial arts legends tell of masters who possess a mysterious ability to

defeat an opponent and in some cases even cause death with one perfectly placed blow The Secret Art of Pressure Point Fighting transforms the myth into a modern anatomically based self defense technique that allows smaller defenders to defeat larger attackers by striking at the vulnerable points on their bodies Written by one of the world's leading authorities and clearly illustrated with photos of each pressure point this book shows how knowledge of the body's vulnerable points can enhance both competitive fighting and personal self defense skills The Secret Art of Pressure Point Fighting doesn't teach theoretical strikes it presents the actual moves used throughout the world by military special forces and law enforcement agencies to disable opponents as quickly as possible The moves in this book are straightforward and easy to learn They are designed to empower anyone regardless of size or physical strength with the ability to stop an attacker using a minimal amount of physical strength **Black Belt**, 1996-05 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known marital arts figure in the world
