## **Bilingual And Esl Classrooms Teaching In Multicultural Contexts:**

*Bilingual and ESL Classrooms* Carlos J. Ovando, Mary Carol Combs, 2018-01-02 Now in its 6th Edition this classic text integrates theory and practice to provide comprehensive coverage of bilingual and ESL education. The text covers the foundations of bilingual and ESL education and provides a strong focus on what the teacher needs to know in a bilingual classroom. Woven throughout the text are quotes from bilingual and ESL students and teachers that illuminate the bilingual ESL learning and teaching experience. *Bilingual and ESL Classrooms* is written for both preservice and experienced educators serving grades pre K through 12 mainstream bilingual ESL and special education teachers as well as administrators, school counselors, and educational policymakers. New in the Sixth Edition This sixth edition presents updated research on and expanded coverage of key issues related to the education of English language learners in the United States such as continuing controversies and findings in demographics, the impact of globalization on K 12 public schooling, evidence driven teaching practices, white normativity using technologies developed for language minority populations, making sense of Census 2010 and achievement levels of ELLs in math and science. More specifically this sixth edition includes Coverage of the 2015 Every Student Succeeds Act, An expanded and updated Human Face of Bilingual Students and ELLs, A revised co-authored student chapter, A thoroughly revised assessment chapter, A revised chapter on bilingual special education.

**Bilingual and ESL Classrooms** Carlos Julio Ovando, Virginia P. Collier, 1998 The major goal of this book is to take a comprehensive look at research, policy, and effective practices in U S schools for students who are from culturally and linguistically diverse backgrounds. The demographic predictions are that students with close connections to their bilingual bicultural heritages now labeled language minority students by the federal government will be very large in number in the near future becoming the majority in many states over the next three decades. Thus we educators urgently need to provide appropriate, meaningful, and effective schooling for these students who too often have been underserved by U S schools. This book speaks to all educators with the goal of providing rich examples of effective practices and their underlying research knowledge base page xiii. *Bilingual and ESL Classrooms* Carlos J.
