Text

The text for BIO 111 Lab is the manual produced by the MC Biology Department and sold in the Biology Department office.

Assessment

Students in BIO 111 lab will receive no separate credit for the class. Scores received will be distributed to the lecture professors who will incorporate the lab grade into the total BIO 111 final average.

The lab grade will be determined from

- weekly grades (1/2 of grade) consisting of a prelab quiz and a postlab quiz for each of the 10 weeks and
- test grades (1/2 of grade) consisting of a midterm exam, a final exam, and a lab report on a genetics experiment.

Attendance

Do not schedule other activities during your lab time. There are no make-up lab sessions. Students are expected to be in their regularly scheduled lab. If illness or a school-related function forces a student to miss, under certain circumstances that lab may be made up by attending one of the other regularly scheduled labs in the same week. Students should contact the lab coordinator, Joseph Kazery, to request such arrangements. A note from the doctor or from the coach/sponsor of the school-related function should be available when making up the lab.

Absences for extreme circumstances may be considered on an individual basis. Remember these absence/make-up guidelines.

- Inconvenience is not a reason to swap lab times.
- Emergencies should involve police and/or doctors.
- Not being prepared and/or other tests is not a reason to take a lab test on another day.
