

How to make Meth Making Methamphetamine at home:

List of chemicals and materials:

- Diluted HC 1 - also called Muriatic acid - can be obtained from hardware stores, in the pool section
 - Na OH - also called lye
 - Ethyl Ether - aka Diethyl Ether - Et-O-Et - can be obtained from engine starting fluid, usually from a large supermarket. Look for one that says "high ethyl ether content", such as Pre stone
- Ephedrine The cottons in today's Vick's nasal inhalers don't contain Efed or Pfed (Ephedrin or Psuedoephedrin) but there are still lots of easy ways to get good Efed or Pfed, pure ephedrin can be extracted out of it's plant matter, from a plant that can be bought at most garden stores. Or you can get Pfed from decongestive pills like Sudafed. Most people prefer to work with Pfed from pills rather than ephed from the plant. The important thing is that you must have pure pfed/ephed as any contaminants will fuck up the molar ratio leaving you with over-reduced shit or under-reduced shit .Or contaminants will jell durring baseifying and gak up your product which will

Methamphetamine Shake And Bake Recipe:

Methamphetamine Kevin Hillstrom,2014-10-06 The National Institute of Health states that methamphetamine increases the amount of dopamine in the brain a chemical that is involved in body movement motivation pleasure and reward The drug causes an intense high which fades quickly Nearly 1 2 million people reported using the drug in the past year while 440 000 people reported using it in the past month This crucial edition delves into the history of methamphetamine as a recreational drug and as a big business for criminal enterprises It also discusses the toll that methamphetamine addiction takes on its users as well as families and communities in general The book concludes by discussing processes and methods used to treat meth addiction and how law enforcement agencies are trying to combat the meth industry **The Methamphetamine**

Industry in America Henry H Brownstein,Timothy M. Mulcahy,Johannes Huessy,2014-07-31 Galax a small Virginia town at the foot of the Blue Ridge Mountains was one of the first places that Henry H Brownstein Timothy M Mulcahy and Johannes Huessy visited for their study of the social dynamics of methamphetamine markets and what they found changed everything They had begun by thinking of methamphetamine markets as primarily small scale mom and pop businesses operated by individual cooks who served local users generally stymied by ever more strenuous laws But what they found was a thriving and complex transnational industry And this reality was repeated in towns and cities across America where the methamphetamine market was creating jobs and serving as a focus for daily lives and social experience The Methamphetamine Industry in America describes the reality that the methamphetamine industry is a social phenomenon connecting local national and international communities and markets The book details the results of a groundbreaking three stage study part of a joint initiative of the National Institute on Drug Abuse and the National Institute of Justice in which police agencies across the United States were surveyed and their responses used to identify likely areas of study The authors then visited these areas to observe and interview local participants from users and dealers to law enforcement officers and clinical treatment workers Through the eyes and words of these participants the book tells the story of the evolution of methamphetamine markets in the United States over the past several years given changes in public policies and practices and changing public opinion about methamphetamine The authors look closely at how the markets are part of a larger industry how they are socially organized and how they operate They also consider the relationships among the people involved and those around them and the national regional and local culture of the markets Their work demonstrates the importance of understanding the business of methamphetamine and by extension other drugs in society through a lens that focuses on social behavior social relationships and the cultural elements that shape the organization and operation of this illicit but effective industry Drugs and Society Glen R.
