Basic Steps In Planning Nursing Research From Question To Proposal:

Basic Steps in Planning Nursing Research Marilynn J. Wood, Janet C. Kerr, 2006 As an introduction to the research process this text focuses on the development of an effective research plan and guides readers through all stages of the process. The text presents the research steps in a logical manner, showing how to organise the information and how to clearly communicate ideas and plans. *Basic Steps in Planning Nursing Research: From Question to Proposal* Marilynn J. Wood, Janet Ross-Kerr, 2010-02-26 Basic Steps in Planning Nursing Research From Question to Proposal is the perfect introduction to the research process. It details the development of an effective research plan and guides readers through all stages of the process from finding a research topic to the final written proposal. It takes an in depth focus on the planning process which makes it an excellent tool for beginners while still being relevant to people at all levels of study who need to develop a research plan. The Seventh Edition continues to teach readers how to prepare an appropriate question and topic and the steps it takes to formulate a conclusion. All of the chapters have been updated with new references and current information including a renewed focus on evidence based practice and an expansion of research ethics. Proposals are included at the end of the text to help students learn.
