Some of the usual obstacles to modern teachings of marketing are ethnocentricity, the limitation of creative thought by conformity to existing theories, lack of questioning of ethics, and a disconnection from historic events or sociological discourse. This book, in contrast, draws together interdisciplinary approaches from marketing, branding, promotion, and critical media studies as tools for understanding the way in which fashion works today and re-evaluates what makes certain fashion marketing tactics fashionable. Offering a combination of theory and practice, **Fashion Marketing and Communication** is full of international case studies, practice-based examples, and interviews with scholars and practitioners in the fashion and communications industry. Covering subjects including the history of consumerism, fashion marketing, the creative direction of the fashion brand, and the use of bloggers and celebrities as marketing tools, this book delineates the opportunities and challenges facing the future of fashion media in the twenty-first century. Examining the last 100 years of marketing and communications, current theory and practice, as well as questions on the ethics of the fashion industry, this broad-ranging and critical text is perfect for undergraduate and postgraduate students of fashion marketing, branding, and communication. **Mastering Fashion Marketing** Tim Jackson, David Shaw, 2017-09-16. This is the first book on the subject that combines contemporary marketing theory with analysis of operational marketing practice within the fashion industry. It contains the views of key practitioners and much original case study material from leading fashion organizations to provide unique insights into the reality of fashion marketing. **Promoting Fashion** Barbara Graham, Caline Anouti, 2022-12-22. The marketing and promotion of fashion is entering a fast-moving and challenging phase. This book shows how to appeal to the consumer and communicate the brand message. Advertising campaigns, both offline and online, are discussed together with the existing and new methods of PR and promotion. Individual chapters then look at social media, e-commerce, and online fashion retail, personal selling, and offline fashion retail, direct marketing, fashion shows, and sales promotions, plus costing a campaign. These are supported by case studies and interviews with leading professionals. **Fashion Marketing & Merchandising** Mary Wolfe, 2013-09-26. Designed to help students review content, apply knowledge, and develop critical thinking skills, a wide variety of activities are provided for various learning styles. This supplement is a consumable resource designed with perforated pages so that a given chapter can be removed and turned in for grading or checking. **The Fashion Business** Dario Golizia, 2021-07-18. This book provides a clear understanding of the different business strategies and models across all markets of the fashion industry. Providing a holistic and practical approach to strategic fashion management and marketing, the book covers brand image, supply chain, communication, price point, and social media. Based on examples from international organisations including Off White, Nike, and Zara, as well as leading luxury brands, the author identifies 13 core market sectors and explores the strategies applied in each from creativity

to their supply chain and sustainability from segmentation strategy to brand policies and from pricing to distribution Each chapter includes features to aid student learning including interviews with a wide range of experts from across the industry as well as student activities and reflection points Theoretically grounded yet practical in its approach this is important reading for advanced undergraduate and postgraduate students of Strategic Fashion Management Fashion Marketing and Communications Fashion Merchandising and Luxury Fashion
