Battles Of The Elohim They Walked As Men:

Battles of the Elohim Christian Harfouche, Robin Harfouche, 2011-04-19 In this riveting book the author explores the history of the Elohim the titans or giants birthed through the union of fallen angels with human women as recorded in Genesis and the bull spirit behind them Using both the Bible and many other ancient writings the author carefully outlines evidence that these beings existed and explains the agenda behind their cruel reign upon the earth to corrupt Adam s race through whom the Savior was promised to come and to offer alternative heroes to save humanity The book explores how this agenda and the gods associated with it affected biblical history with a look also at present and end times implications
