EXHIBITION August 24 September 28 2019 **East Bay Artists 2021**
ArtPush Organization, Often unrecognized during their lifetimes the artwork by Masters such as Van Gogh, Monet, Vermeer, Cezanne and many others continue to captivate and connect us with events and world views that shape our lives. Right now we are in the midst of an unprecedented period in history a technological revolution, climate change, political unrest and a pandemic that has ruptured our daily routines and connections with each other. At the beginning of the Covid pandemic when it was not possible to visit galleries ArtPush created a monthly 2nd Friday ArtTalk show featuring artists and their work. The candid sharing of their personal journeys during the pandemic, their hopes, their fears and how their art propels them forward inspired us once again to publish a second book of 21st century art. The East Bay Artists 2021 book is filled with extraordinary art capturing the heart and soul of this moment in time. We are deeply thankful for these remarkable contributions.
