# Basic Nihongo Lesson

**John Young, Kimiko Nakajima-Okano**

## Basic Nihongo Lesson:

**Basic Japanese** Samuel E. Martin, Eriko Sato, 2017-11-14 Learn to speak Japanese in 10 easy lessons with manga illustrations engaging exercises and practical conversations This bestselling Japanese textbook is a user friendly guide for beginners designed for use either in a classroom or self study With an emphasis on daily communication and acquiring a working knowledge of simple often used Japanese sentences you can attain basic fluency quickly This new edition has been thoroughly updated and expanded to reflect the way the language is actually spoken in Japan today including essential vocabulary and phrases for modern life like talking about social media and the internet Engaging manga illustrations are paired with each dialogue and a bidirectional dictionary is available in the back of the book Ten structured lessons each present a simple four step method for acquiring basic fluency quickly

**Basic Sentences** Each lesson begins with a few simple sentences encompassing essential vocabulary and phrases

**Communication Notes** A detailed discussion of each sentence follows to assist you in understanding the underlying structure and how to form new sentences based on the same pattern

**Everyday Conversations** Authentic dialogues with manga illustrations audio recordings show you how people communicate naturally in Japan today through simple everyday interactions

**Engaging Exercises** Several sets of easy exercises help reinforce your understanding of the key points presented in the lesson

Online audio recordings by native speakers help with listening comprehension and pronunciation All audio content is accessible on [tuttlepublishing.com](http://tuttlepublishing.com) *Learn Japanese - Level 1: Introduction to Japanese* Innovative Language Learning, JapanesePod101.com, 2023-10-13

**Basic Japanese** Samuel E. Martin, Eriko Sato, 2012-10-10 Basic Japanese takes a friendly and innovative approach to beginner Japanese emphasizing the structure of the Japanese language rather than just vocabulary This method was pioneered by the author Samuel E Martin Once considered controversial modern linguists now agree that the structurally based approach for learning a language allows for more efficient retention than the traditional repetition based approach It is especially useful for self study and first time learners as well as in a classroom setting The MP3 Audio CD helps to reinforce pronunciation and build listening comprehension Each lesson is set up to ease learners into not just understanding the new material but mastering it using a four step method

**Step 1 Basic Sentences** Each lesson begins with the key to quick mastery of spoken Japanese learning and understanding new sentence patterns Vocabulary is learned in context A Basic Vocabulary section lists only essential words and phrases that are relevant to the theme of the lesson

**Step 2 Structure Notes** Next the learner is guided through complete in depth explanations of the sentences grammar essentials to aid in mastering the sentence patterns

**Step 3 Conversation** Authentic dialogue teaches the way people naturally speak putting into practice the lesson s sentence patterns with everyday topics

**Step 4 Exercises** An opportunity for practicing and for strengthening your understanding of the lesson s key points and ability to read Japanese

**Nihongo no kiso: English translation**, 1983 **Gendai Kagaku Gijutsu Nihongo Shirizu** Edward E. Daub, 1995 Designed as a companion and study guide for the textbook *Comprehending Technical Japanese* this

book may also be used as a supplement to the textbook Basic Technical Japanese It provides detailed explanations of the origin and meaning of the 500 kanji featured in CTJ which were chosen for their frequency and significance in chemistry physics and biology Each chapter is keyed to a chapter in CTJ presenting twenty kanji vocabulary that use those kanji a kanji card format for study and review and the Japanese essay that appears at the close of each CTJ chapter and its English translation This volume also introduces significant scientific vocabulary that include kanji other than the 500 introduced in CTJ

Mangajin's Basic Japanese Through Comics, Part 2, 1996 Publisher description This book presents some very basic words and phrases along with some that are not usually considered basic at all but the Mangajin method can make even advanced material accessible to students at all levels Frames from authentic Japanese manga comics are used to illustrate every point with English translations and notes allowing the basic beginner to understand materials that might otherwise stump even advanced students To make written Japanese accessible to all readers Mangajin uses a 4 line format This format also shows the linguistic logic of Japanese how words are strung together to present an idea Understanding this flow is an important step in getting a feel for the language This work is not intended as a textbook but rather as an entertaining supplement to a more structured study of Japanese The 24 lessons in this book are a compilation of the Basic Japanese column from Mangajin magazine they do not build on each other so they can be read or studied in any order

**The Changing Japanese Family** Marcus Rebick, Ayumi Takenaka, 2006-04-18 The Japanese family is shifting in fundamental ways specifically in terms of attitudes towards family and societal relationships and also the role of the family in society Changing Japanese Family explores these significant changes which include an ageing population delayed marriages a fallen birth rate which has fallen below the level needed for replacement and a decline in three generational households and family businesses The authors investigate these changes and the effects of them on Japanese society whilst also setting the study in the context of wider economic and social changes in Japan They offer interesting comparisons with international societies especially with Southern Europe where similar changes to the family and its role are occurring This fascinating text is essential reading for those with an enthusiasm in Japanese studies but will also engage those with a concern in Japanese culture and society as well as appealing to a readership with a wider interest in the sociology of the family
