Basil Wolverton was known for his grotesque drawings fantastically odd creatures spaghetti like hair smoothly sculpted caricatures and insanely detailed crosshatching. His career in the golden age of comic books lasted from 1938 until 1952 after which his illustrations and caricatures extended into such publications as Life, Pageant and MAD magazines. Stylistically he has been regarded as one of the spiritual grandfathers of underground and alternative comix. Less well known and understood is his work for the Worldwide Church of God headed until 1986 by radio evangelist Herbert Armstrong. From 1953 through 1974 Wolverton, a deeply religious man, was commissioned and later employed by the church to write and illustrate a narrative of the Old Testament including over 550 illustrations, some 20 apocalyptic illustrations inspired by the Book of Revelations and dozens of cartoons and humorous illustrations for various Worldwide Church publications.

**Spacehawk** Basil Wolverton, 2012-12-07 The complete collection of Wolverton's legendary costumed crusader Basil Wolverton is one of the greatest, most idiosyncratic talents in comic book history. Though he is best known for his humorous grotesqueries in MAD magazine, it is his science fiction character Spacehawk that Wolverton fans have most often demanded be collected. The wait is over as The Complete Spacehawk features every story from Spacehawk's intergalactic debut in 1940 to his final Nazi-crushing adventure in 1942. Spacehawk is the closest thing to a colorfully costumed conventional action hero Wolverton ever created, yet the strip is infused with Wolverton's quintessential weirdness: controlled organic artwork of strangely repulsive aliens and monsters and bizarre planets and stories of gruesome retribution that bring to mind Wolverton's peer Fletcher Hanks. Spacehawk had no secret identity, no fixed base of operations beyond his spaceship, and no sidekicks or love interests. He had but one mission in life: to protect the innocent throughout the Solar System and to punish the guilty. He was a dark yet much more visually playful counterpart to Buck Rogers and Flash Gordon.

**Scoop Scuttle and His Pals**

Basil Wolverton, 2021 In this rip-roaring retrospective, Basil Wolverton's often warped imagination combines with his outlandishly wacky visual humor to fascinate and delight. It collects the ultra rare treasures Scoop, Scuttle, Mystic Moot, Bingbang, Buster and Jumpin' Jupiter as they've never been seen before. Due to the rock-bottom printing methods of 10 comic books, Wolverton's intricate line work was routinely obscured and often obliterated. In this collection, every effort has been made to restore the art to its original splendor and to at last present the uniquely detailed graphics of this justly revered comic book master.

**Comics through Time** M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present, this massive four-volume work provides a colorful yet authoritative source on the entire history of the comics medium. Comics and graphic novels have recently become big business, serving as the
