Basketball Coaches Sports Banquet:

Sylvia Hatchell Roberta Teague Herrin, Sheila Quinn Oliver, 2021-07-07 As a young girl Sylvia Hatchell longed to play little league baseball and later high school basketball but both were closed to her because she was a girl. In college her world shifted when she discovered a passion for coaching that would lead her to become a Naismith Hall of Fame coach of women's basketball at the University of North Carolina at Chapel Hill. In this book Coach Hatchell's life story unfolds against the backdrop of Title IX and women's struggle for equal opportunities in athletics. She celebrates triumphs such as winning the 1994 NCAA Division I Women's Basketball Tournament and weathers sadness and failure such as the loss of her parents surviving cancer and being forced to resign from her dream job in 2019

Beyond the Scoreboard John P. Steltz, 2010 Beyond the Scoreboard is a must read for anyone involved with high school sports. John Steltz is able to use his extensive experience and knowledge as a basketball coach to show readers what the world of prep sports is really like and what needs to be changed to make it a more rewarding experience for players, coaches, parents, and administrators. Scott Venci, Sports reporter, Green Bay Press Gazette. Who is responsible for the healthy development of a positive sense of self-worth in high school student athletes? What are the overall purposes of high school athletics? When will the landscape of high school athletics regain its primary function as a learning environment? Where do high school athletics fit in the 21st Century learning experience? Why has the value of high school athletics become increasingly misaligned? How can parents, coaches, and administrators work together to ensure athletic programs enrich the lives of student athletes in an increasingly competitive environment? Beyond the Scoreboard provides insight for parents, coaches, and administrators into the current landscape of high school athletics in which over half of all high school students in the United States participate. The revealing real life scenarios used to demonstrate important concepts creates spiritual and passionate tones to build credibility and engage readers. A useful realistic guide for high school coaches, parents of high school athletes, and high school administrators. Beyond the Scoreboard examines proper strategies that develop and maintain healthy athletic programs in high school. Beyond the Scoreboard must be used as a tool for athletic directors and high school coaches to generate effective mission statements promoting the development of a positive sense of self-worth in high school student athletes. The mission statement will better equip administrators and coaches to handle tensions and triumphs that are an inevitable part of the high school athletics landscape.
